2019

MICHAEL  
MCQUAID

Michael McQuaid has been involved with many charities over the years, served on multiple nonprofit boards of directors, and has done a tremendous amount of volunteer work on behalf of the poor and the homeless in the downtown Phoenix area. He shares a vision of public, private, non-profit and faith-based organizations joining together to address the needs of individuals and families experiencing homelessness.

Mr. McQuaid is being honored for a lifetime of success and commitment to improving the lives of families and communities and his shared vision that housing is basic to our social fabric. More specifically, Mr. McQuaid is being recognized for his personal and professional contributions to the Human Services Campus (HSC) in Phoenix. The HSC is a collaboration of faith-based, non-profit, government, private, and community organizations who provide solutions to end homelessness, and is now considered a national model.

Mr. McQuaid has provided leadership to the Human Services Campus since its inception in 2005. He coordinated two years of construction of the 12-acre multi-agency site in downtown Phoenix, volunteered as the Managing Director for the first five years of operation and serves on the organization's board of directors. Mr. McQuaid is currently involved in the ongoing management and development efforts at the HSC which provides food, shelter, clothing, medical and dental care, as well as employment aid and housing assistance to over 1,000 homeless men and women each day.
