<p>Member Updates</p>	<p>Gila County- there is a rise in homelessness, mainly due to a fire at a long-term-stay hotel in conjunction with overall lack of housing, so the county is trying to get around 20 people housed</p> <p>Yavapai County- it's a challenge geographically since a major mountain splits the county; implemented an EHV voucher system implemented</p> <p>Yuma County- Case Conferencing is continuing every two weeks to get referrals to housing</p> <p>Mohave County- starting to see housing stock open up a little bit; more property management companies are coming on board; Section 8 was opened up in Colorado City; making changes to the CE process</p> <p>Cochise County- always seeking landlords</p> <p>Pinal County- HMIS committee is regularly meeting; ESG-funded program has had some recent success; there is a small landlord incentive program to get more landlords willing to rent; HOME-ARP funding is also being used</p> <p>Coconino County- one of the big pushes is to recognize one of the major inflows is the criminal justice system, so efforts are being focused on getting CE personnel into the jails prior to release to work on obtaining housing before people are released and on the streets with nowhere to go; racial equity is just starting to even out</p>
