I. INTRODUCTION

The Citizen Participation Plan is designed to facilitate and encourage public participation in the Consolidated Plan process. In particular, the Citizen Participation Plan seeks to encourage the involvement of low-income persons.

A. CONSOLIDATED PLAN AND ANNUAL ACTION PLAN

The Consolidated Plan is a five (5) year plan that identifies the needs of low-income persons and areas of the State of Arizona and sets forth a five (5) year strategy to address those needs, primarily utilizing federal housing and community development funds. The Annual Action Plan identifies the specific needs to be addressed with that funding each year based on the priorities established in the Consolidated Plan's five (5) year strategy.

1. Preparation

In order to identify the needs of low-income persons and areas of the State of Arizona, priorities must be set in order to decide which of the identified needs should get the highest priority for funding. In order to solicit community input, which is essential to determining these needs and priorities, ADOH will:

- Consult with local public agencies that assist low-income persons and areas, including ADOH staff, state and federal agencies, local governments and regional Councils of Government (COGs).
- Consult with private agencies, including local non-profit service providers and advocates such as the local public housing agency, health agencies, homeless service providers, non-profit housing developers and social service agencies (including those focusing on services to children, the elderly, persons with disabilities, persons with HIV/AIDS, persons with substance abuse problems, etc.).
- Publicly notice and conduct one (1) or more public meetings to solicit input on needs and priorities.
- Develop an assessment of needs in the State of Arizona as well as a strategic plan to address those needs.
- Publicly notice a thirty (30) day review and comment period where a complete draft of the Consolidated Plan and/or Annual Action Plan will be made available to the public.
- Conduct a public hearing prior to adoption of the Consolidated Plan and the Annual Action Plan.

2. Adoption

As noted above, the Arizona Department of Housing will provide several opportunities for citizen involvement in the Consolidated Plan process prior to adoption. These include:

- Published notice of a public meeting in the Arizona Republic and local newspapers, and on the State's website (<https://housing.az.gov/>) at least seven (7) days in advance of the meeting.
- A public meeting on needs and priorities for the Consolidated Plan/Annual Action Plan.
- A public notice announcing the thirty (30) day review and comment period and public hearing for the Draft Consolidated Plan and/or Draft Annual Action Plan. The notice will list the locations where the document(s) will be available for review, and the notice will be posted prior to the start of the comment period.
- The Draft Consolidated Plan and/or Draft Annual Action Plan will be available at the ADOH offices and on the ADOH website. Copies of the documents will be mailed upon request.
- The Draft Consolidated Plan and/or Draft Annual Action Plan will be made accessible to persons with disabilities upon request. In addition, a reasonable number of free copies will be provided to citizens or groups requesting copies of the document(s).
- A public hearing before the adoption of the Consolidated Plan and/or Annual Action Plan will be held.
- In preparing the Final Consolidated Plan and Annual Action Plan, careful consideration will be given to all comments and views expressed by the public, whether given as verbal testimony at the public hearing or submitted in writing during the review and comment period. The final documents will have a section that presents all comments and explains why any comments were not accepted.
- At the end of the thirty (30) day comment period, the Arizona Department of Housing will consider approval of the Consolidated Plan and Annual Action Plan.

3. Amendments

The Consolidated Plan or Annual Action Plan will be amended whenever there is a change in one (1) of the priorities presented on the HUD-required Priority Table; a change in the use of money to an activity not mentioned in the final Annual Action Plan; or a change in the purpose, location, scope or beneficiaries of an activity (described more fully later). The public will be notified whenever there is a "substantial" amendment as defined below:

- A change in the use of CDBG funding, of more than thirty-five percent (35%) of the total state allocation amount, from one activity to another (i.e. “reprogramming” of CDBG funds).
- Funding of an activity type not described in the Annual Action Plan.
- Changing the priorities contained in the Five (5) Year Strategic Plan of the Consolidated Plan.
- There must be reasonable notice of a proposed substantial amendment so that residents of the affected areas of the State will have an opportunity to review it and comment on it. Notice will be made according to the procedures described herein with the addition of the following procedures specifically for substantial amendments:
 - There will be seven (7) days advance notice of the availability of a proposed substantial amendment prior to a public hearing. A written description of the proposed substantial amendment will be made available to the public at the locations indicated in this Citizen Participation Plan.
 - There will be a public hearing regarding the proposed substantial amendment after a thirty (30) day public review period.
 - The final substantial amendment will have a section that presents all comments, plus explanations why any comments were not accepted.

B. CONSOLIDATED ANNUAL PERFORMANCE REPORT

Every year, the ADOH must submit to HUD a Consolidated Annual Performance and Evaluation Report (CAPER) within ninety (90) days of the close of the program year. In general, the CAPER must describe how funds were actually used and the extent to which these funds were used for activities that benefited low-income people.

- There will be seven (7) days advance notice of the availability of the CAPER prior to a public hearing.
- There will be a public hearing regarding the proposed substantial amendment after a fifteen (15) day public review period.
- The final CAPER will have a section that presents all comments, plus explanations why any comments were not accepted.

II. PUBLIC NOTICE

A. PUBLIC NOTICE REQUIREMENTS

There shall be advance public notice once a federally required document is available, such as the Proposed Annual Action Plan or Five (5) Year Consolidated Plan, any proposed substantial amendment(s) to the Action Plan or Consolidated Plan and the Consolidated Annual Performance and Evaluation Report (CAPER). Public notice requirements are laid out in the previous section.

B. FORMS OF PUBLIC NOTICE

ADOH staff will ensure adequate advance notice of all public meetings and hearings. Adequate noticing will include:

- Printing notices in newspapers representative of the State's population and geography at least seven (7) days prior to the public meetings and hearings.
- Posting notices at the State Capitol.
- Posting notices on ADOH website (<https://housing.az.gov/>).

III. PUBLIC HEARINGS

Public hearings are required by law in order to obtain the public's views and to provide the public with the Arizona Department of Housing's responses to public questions and proposals.

The law requires public hearings at all stages of the process, including at least a public hearing about community needs, a public hearing to review proposed uses of funds and a public hearing to assess how funds were spent during the previous program year.

Public hearings will be held only after there has been adequate notice as described in the Public Notice part of this Citizen Participation Plan, including a display advertisement in the ADOH lobby seven (7) days prior to the public hearing. Public hearings will usually be held in the evening at a time convenient to most residents, especially those who might benefit from the use of funds.

Public hearings may be held at the ADOH offices or other State of Arizona office locations, or other locations throughout the State, all of which are accessible by public transportation. Public hearings may be held at these locations; however, the final approval and adoption of the Annual Action Plan, Five (5) Year Strategic Plan and CAPER will be conducted at the ADOH offices. All of these locations are accessible to people with disabilities and provisions will be made for people with disabilities when requests are made at least five (5) working days prior to

a hearing. Translators will also be provided for people who do not speak English when requests are made at least five (5) working days prior to a hearing.

IV. PUBLIC ACCESS TO INFORMATION

As required by law, the Arizona Department of Housing will provide the public with reasonable and timely access to information and records relating to the data or content of the Consolidated Plan, as well as the proposed, actual, and past use of funds covered by this Citizen Participation Plan. ADOH staff will also provide reasonable public access to records about any uses of these funds during the previous five (5) years.

Also, as required by law, ADOH will provide the public with reasonable and timely access to local meetings relating to the proposed or actual use of funds (such as Arizona Housing Commission, Arizona Finance Authority and other committee and commission meetings).

A. CONSOLIDATED PLAN DOCUMENTS

Consolidated Plan documents may include the Annual Action Plans, the Five (5) Year Consolidated Plan and Consolidated Annual Performance Evaluation Report (CAPER), as well as substantial amendments to the Annual Action Plan, the Five (5) Year Strategic Plan, Consolidated Annual Performance and Evaluation Reports or the Citizen Participation Plan.

B. AVAILABILITY OF CONSOLIDATED PLAN DOCUMENTS

In the interest of encouraging public participation, copies of Consolidated Plan documents will be provided to the public at no cost and within one (1) week of a request. These materials will be available in a form accessible to persons with disabilities, when requested.

C. LOCATION OF DOCUMENTS

Consolidated Plan documents will also be available at the following locations during their respective review periods:

Arizona Department of Housing
1110 West Washington Street, Suite 310 | Phoenix, AZ 85007
Telephone: (602) 771-1000 | Facsimile: (602) 771-1002 | TTY: (602) 771-1001

Copies of the final and draft versions of the documents are also available at the ADOH offices.

V. COMMENT AND COMPLAINT PROCEDURES

ADOH will provide a period of at least thirty (30) days to receive comments on the draft Consolidated Plan and on any substantial amendments. The thirty (30) day period may start on

the date the document is available to the public. ADOH must also provide public notice regarding the availability of documents and the dates of the thirty (30) day comment period.

For performance reports, ADOH will provide at least fifteen (15) days to receive public comments.

ADOH will consider all comments received. ADOH will respond to all complaints, in writing, within fifteen (15) days. All comments and responses will be attached to each document.

VI. ACCOMMODATION OF PERSONS WITH SPECIAL NEEDS

ADOH complies with the Americans with Disabilities Act and will make accommodations for persons with special needs. Public hearings and the review of Consolidated Plan documents will be held at the ADOH office, which is accessible to people with disabilities. Additional provisions will be made for people with disabilities when requests are made at least five (5) working days prior to a hearing. Translators will also be provided for people who do not speak English when requests are made at least five (5) working days prior to a hearing.

Evaluation of past performance
Arizona made progress on its priority needs and objectives in 2013-2014, the last complete period for which a Consolidated Annual Performance and Evaluation Report was conducted. The best indicators of results, i.e., performance measures, are described below. Balance of State Continuum of Care
With the advent of the HEARTH Act, ADOH has several roles in the Balance of State Continuum of Care (BOSCO) process. ADOH is the Collaborative Applicant for the 4.2 million annual renewal amount, the Recipient of all but one of the projects (97%) and the HMIS Lead Agency. ADOH also supports the planning and organization of the BOSCO. A planning contract for \$22,000 was awarded in the 2013 competition with a focus on establishing Coordinated Assessment. There are 16 sub-recipients to administer the 54 housing projects, 34 of which are permanent supportive housing and 14 are transitional housing. These projects provide 375 units of housing. The Federal partners involved in the BOSCO include the U.S. Departments of Veterans Affairs with VASH vouchers and the SSVF programs, and SAMHSA with the PATH and the RHA programs. They are required to participate in the HMIS along with ESG and HOPWA providers.
Summary of citizen participation process and consultation process
ADOH has encouraged citizen participation throughout the development of the Plan by consulting stakeholders, local and regional governments, holding public meetings and encouraging public comment during the public review period. The following 4 public meetings were held prior to the drafting of the Plan: 1) Tucson, Arizona, September 13, 2014 at 4:15 p.m. at the J.W.
