CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

Approximately \$6.4 million in federal HOME and CDBG funding was committed to preservation and improvement in the form of owner occupied housing rehabilitation and will serve approximately 111 low to moderate income households. Approximately \$15.7 million in federal and private utility funding was committed to energy efficiency improvements through weatherization and will assist approximately 1500 low to moderate income households. Approximately \$4 million in CDBG funds were committed to public infrastructure projects, as they are the primary focus of rural counties and communities participating in the State and small cities CDBG program through ADOH. Infrastructure improvements including streets, sidewalks, water, wastewater, curbs, gutters, and drainage improvements were funded, addressing the Department's priority to promote sustainable and accessible communities and serving approximately 27,828 Arizona residents. Additionally, approximately \$2.3 million in CDBG funds was committed to community facilities serving approximately 25,421 residents, \$1M to the removal of barriers and accessibility serving approximately 20,675 mobility impaired residents, \$425K to historic preservation and \$196K to planning. ADOH posted its draft CAPER to its website on September 11, 2023 for a fifteen day comment period ending September 25, 2023. Advertisements of the CAPER availability were published in Flagstaff, Kingman, Phoenix, Tucson and Yuma newspapers.

Due to the Capacity deficiencies in rural local governments and the lack of sufficient employment base for most employers, economic development projects are not utilized. ADOH received no requests for economic development project technical assistance or ED application project funds for FFY2022 (SFY2023) CDBG funds.

The Rental Division of ADOH led the efforts on the development of new rental units with a variety of resources. These include Federal and State Low Income Housing Tax Credits (LIHTC), HOME and National HTF and State HTF. This will result in over 3,646 multifamily rental units. Of those, 3,077 units will be new construction and 569 units will be preserved through rehabilitation.

HOPWA monies provided \$428,139 in funds for supportive services, tenant based rental assistance, Short Term Rent, mortgage and utility assistance (STRMU) for 78 persons. ADOH contracted with three (3) organizations to administer the HOPWA programs which serve the thirteen (13) nonentitlement counties.

McKinney Vento Continuum of Care funds for the Arizona Balance of State Continuum of Care (AZBOSCO) provided \$ 5,503,763 to support 390 units of permanent and rapid rehousing for households experiencing homelessness, through eighteen (18) contracts. Seven percent (7%) was directed toward supportive services. Five percent (5%) of the budget supported the Homeless Management Information System and five percent (5%) supported administrative costs. The remaining \$3,997,027 (78%) was directed to direct rental assistance and operation of housing units. The AZBOSCO was also provided \$283,326 in HUD COC funds specifically for planning and Unified Funding Agency duties

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

ADOH continued to invest funds to address its highest priorities and specific objectives. CDBG funds were invested primarily in the following highest priority activities: 1) public infrastructure and facilities; 2) improving the quality of housing stock, and 3) removal of barriers and accessibility for LMI. HOME funds were invested in the high priority activities of construction and rehabilitation of rental units and improving the quality of housing stock through owner occupied housing rehabilitation. HOPWA funds were invested in high priority housing and services for persons with HIV/AIDS. Materials and Supply Chain interruptions continued to slow the progress of activities regardless of the funding source especially for new construction or rehabilitation activities. This affected the number of completed projects, thereby reducing the number of persons served from the anticipated in the FY2022 Action Plan and Consolidated Plan.

During PY 22, the Arizona Department of Economic Security (AzDES) partnered with 15 homeless service providers across seven counties to address the issue of homelessness. The collaborative approach includes partnerships for services including management of emergency shelters, outreach programs, rehousing resources, and prevention providers. Emergency Solutions Grant funds are crucial in aiding communities throughout the state in mitigating homelessness and providing vital assistance to those most in need. AzDES aims to create a coordinated and efficient system that maximizes resources, avoids duplication of efforts, and ensures a comprehensive response to homelessness.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

ADOH Programs are available to all income qualified beneficiaries regardless of race or ethnicity and Arizona assisted low and moderate income persons with a range of racial and ethnic backgrounds. Note that not all CDBG projects completed, i.e. public infrastructure, were required to capture race and ethnicity data. ADOH consistently monitors funded projects for compliance with fair housing and equal opportunity.

When assessing the racial and ethnic composition of families assisted through Emergency Solutions Grant (ESG) funding over time, AzDES has identified several key factors which come into play. The impact of changes in the economy or local industries can vary significantly across different racial or ethnic groups, a trend that is reflected in the demographics of those seeking ESG aid. In areas undergoing rapid development, long-established communities may be displaced, leading to a shift in the makeup of ESG recipients. Additionally, certain racial or ethnic communities may be less inclined to seek government aid due to language and cultural barriers, lack of information, or mistrust, all of which can have a significant impact on the composition of ESG recipients over time. Depending on these and other factors, particular racial or ethnic groups may experience fluctuations in levels of ESG funding over time. AzDES is working to address these fluctuations with ADOH and the CoCs using data-informed approaches and resources based on community need.

HTF	public - federal	11,533,111	6,850,000

Table 3 - Resources Made Available

Narrative

The resource amounts expended from July 1, 2022 through June 30, 2023 are based on the total of draws for each funding source over the reporting period from the ADOH Housing Development Software (HDS) database and are as follows: CDBG: \$9,653,928 which includes \$998,809 in Colonias Set Aside; \$17,642,941 CDBG-CV ; HOME: \$4,564,969 including 1) 2,174,258 new construction, and 2) \$2,390,711 OHR; HOPWA: \$288,451; Other funds expended are comprised of State Housing Trust Funds in the amount of \$6,850,000 and Continuum of Care in the amount of \$971,447.

In an effort to address the highest priorities of homelessness across Arizona, AzDES awarded \$1,107,850 in funding towards Emergency Shelter, Street Outreach, Rapid Rehousing, and Homeless Prevention. Despite increased investments, Arizona saw an increase in homelessness in the 2023 Point-In-Time Count as a result of factors such as lack of affordable housing, economic factors, and post-pandemic instability. In Maricopa County, the total number of individuals experiencing homelessness (sheltered and unsheltered) increased by 7% from the previous year, with 9,642 people identified as homeless, with 50.9% being unsheltered. However, the Balance of State saw a decrease of 10.6% in homelessness, and Pima County saw a 1% decrease.

During a 12-month period, DES ESG-supported shelter initiatives provided aid to a greater number of individuals who had recently become homeless. However, Rapid Rehousing projects faced challenges as housing expenses, rental rates, and property values surged in Arizona. Moreover, there was a consequent rise in demand for homeless prevention aid, as COVID-related moratoriums and rental assistance programs were either reduced or discontinued, failing to keep up with the mounting housing costs.

AzDES further invested in providers through community visits to understand need and share information about the ESG program in communities around the state: Cochise County (Sierra Vista, Hereford, Palominas, & Bisbee), Santa Cruz County (Nogales), Graham County (Safford), Apache & Navajo Counties (Pinetop-Lakeside), Pima County (Tucson), and Maricopa County (Phoenix.) On-site program support was provided in partnership with ADOH to Mohave County/Kingman to improve Coordinated Entry for

participants in the area. In addition, AzDES actively collaborated with all 3 Continuums of Care to develop, review and/or improve ESG written standards.

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
State of Arizona FY2020-2024	100	100	State Service Area

Table 4 – Identify the geographic distribution and location of investments

Narrative

The State’s service area for CDBG includes all of the nonentitlement areas of the state and funding follows a method of distribution that includes annual allocations to regionally agreed upon pre determined units of local government know as the Regional allocation as well as a pool of funding available competitively to all eligible state CDBG units of local governments known as the State Special Projects allocation. Additionally the State has a 10% set aside for Colonia eligible projects awarded once every two years through a competitive application process. The next Colonia application round will take place in early summer 2024.

HOME funds can be accessed competitively by units of local government, for profit or nonprofit entities with the primary focus on rural areas outside of other participating jurisdictions in the state.

HOPWA contracts are awarded based on needs of the service area and available service providers. Current service providers are covering Apache, Coconino, Gila, Graham, Greenlee, LaPaz, Mohave, Navajo, Pinal, Santa Cruz, Yavapai, and Yuma Counties.

HTF will be made available through one or more of the following methods: 1) A Notice of Funds Available for the construction of rental housing in which HTF may be used solely or in conjunction with HOME, State Housing Trust Fund, NSP, 4% LIHTC, 9% LIHTC or other funding sources; or 2) Gap financing for rental development awarded 4% or 9% LIHTCs in accordance with the ADOH Qualified Allocation Plan (QAP).

For HTF: applicants must provide documentation demonstrating the following: 1) applicant is a legally formed entity; 2) development team has sufficient capacity; 3) site control and zoning entitlements; 4) adherence to environmental regulations; 5) financial ability to proceed; 6) market demand for prospective population; 7) adherence to design standards including energy efficiency; 8) adequacy of services to special needs populations (if applicable).

The AzDES ESG funds were disbursed across seven of the fifteen counties in Arizona, namely Maricopa, Pima, Pinal, Mohave, Yavapai, Coconino, and La Paz. Through strategic partnerships with local

organizations and community leaders, these resources were deployed more efficiently to support individuals experiencing homelessness. These collaborations have enabled AzDES to identify innovative approaches to support its network of partners and address the complex challenges, trends, and root causes of homelessness in each community. The funds were allocated for various initiatives, including Emergency Shelter, Street Outreach, Rapid Rehousing, and Homeless Prevention projects. Furthermore, AzDES also received Admin funding, which further augmented its capacity to deliver impactful solutions.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

Arizona leveraged \$73,303,896 in private, state, and local resources over the reporting period. CDBG funds leveraged \$1,844,957 in additional funding. HOME funds invested in rental development leveraged \$71,458,939 in state and local resources. New HOME match contribution in the amount of \$35,457,897 was provided through the investment of owner cash and non-federal resources with the remainder consisting of excess match banked in the amount of \$14,785,224 from previous years activities. Due to these contributions Arizona now has excess Match to carryover to next Federal Fiscal Year in the amount of \$48,340,366.

State Housing Trust Fund (SHTF) provided administrative funding for HOME funded single-family housing rehabilitation and Continuum of Care (COC) funded rental assistance programs. AZBOSCO subrecipient agencies receiving COC funds provided match through ADOH provided HTF administrative funding, as well as through cash and in-kind contributions and services associated with permanent supportive housing from the agencies or third parties.

The provision of ESG match funds by AzDES was made possible through the utilization of Arizona Lottery funds, State Homeless General Funding, and TANF. It is noteworthy that the total amount of funds provided exceeded the HUD ESG match requirement of \$1,598,056. This is a testament to the commitment of AzDES towards ensuring that the needs of the homeless population are adequately resourced through the provision of necessary supports.

Table 12 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

Availability of construction materials and supply chain interruptions continue to be a disruptive factor in the industry especially for rural jurisdictions. However, Arizona successfully achieved completion of the anticipated number of units produced or improved as noted in the Annual Action Plan. Arizona's largest county alone saw a 35% increase to numbers of persons experiencing homelessness over the last two (2) years. The economic hardships and the shortage of affordable housing are at crisis levels even though Arizona's unemployment rates have improved. All numbers were derived from the ADOH HDS Grants

Management System. Any variances between these numbers and PR23 reports pulled by HUD are due to timing of the PR23 report.

Please note the numbers reported in the Table 11 and Table 12 above include projects funding with non-federal state resources such as State Housing Trust Funds. Some projects funded with non-federal resources assisted existing properties serving special populations, which did not result in the creation of new units. This difference and inclusion of non-federal funds has led to the totals in Table 11 and Table 12 to equating to the same amount.

Discuss how these outcomes will impact future annual action plans.

Future action plans will continue to consider the capacity of homeless housing providers as well as the extent to which the development community continues to participate in the production of affordable housing units, permanent supportive housing for persons who are homeless or of low moderate income and low moderate or homeless persons with special needs. How to set appropriate production goals when materials and supply chain disruptions continue will also be considered.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual	HTF Actual
Extremely Low-income	8	12	56
Low-income	35	31	
Moderate-income	0	9	
Total	43	52	

Table 13 – Number of Households Served

Narrative Information

Owner Occupied Housing Rehabilitation with CDBG or HOME funding continues to be impacted by construction material and supply chain delays. Lack of contractors willing to bid projects are slowing the pace of unit completions. Multi-family projects are experiencing the same construction material and supply chain delays. All numbers were derived from the ADOH HDS Grants Management System. Any variances between these numbers and PR23 reports pulled by HUD are due to timing of the PR23 report.

Totals reporting in Table 13 above do not equate to the totals in Tables 11 and 12 because Table 13 only includes the required federal sources and does not incorporate households assisted through non-federal sources.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Per HUD Continuum of Care goals, all three Arizona Continua of Care work to ensure outreach services for 100% of the geographic area covered by the COC. It should be understood that Arizona is a large state and covers a huge geographic area (over 113,000 Sq. Miles) and includes a diversity of urban and rural settings as well as physical conditions (i.e., deserts, mountains) that make outreach to unsheltered populations difficult. The Continuum utilizes a number of strategies to ensure 100% coverage of outreach and to ensure individual needs are assessed:

- a) While HUD COC funds typically do not cover outreach, all three COCs leverage and coordinate with other federally funded programs including SAMHSA PATH (Projects for Assistance in Transition from Homelessness) grants, ESG Emergency Solutions Grants to fund outreach programs as well as state and local funds. Through these coordinated efforts, dedicated homeless outreach covers 100% of the physical geography of the state and its population.
- b) The AZBOSCOG also funds a dedicated outreach/coordinated entry hotline linked to the State 211 system to provide access to persons in those rural counties with limited outreach capacity.
- c) Access to COC homeless coordinated entry programs is available in 100% of AZ communities. All utilize a standardized assessment tools to assess individual needs and have special processes for persons fleeing domestic violence.
- d) Through the recent HUD Special NOFO for Unsheltered and Rural Homelessness, the AZBOSCOG was awarded two grants to expand programs in three rural counties including expanded outreach in three rural counties.
- e) Local Coalitions to End Homeless sponsored by the AZBOSCOG also coordinate local outreach efforts in their communities through local government, faith based and other nonprofit efforts. As of 2023, the AZBOSCOG now has functioning LCEH including Coordinated Entry and case conferencing in all thirteen AZBOSCOG counties.

In 2023, AzDES staff actively participated in the annual Point-in-Time count conducted throughout the state. Moreover, the AzDES team regularly attends meetings of Arizona's Continuum of Care (CoC) committees, serving as board members, committee members, or participants for Maricopa, Pima, and Balance of State CoCs. AzDES collaborates with each CoC to discuss community needs, provide input on the CoC's comprehensive plan, offer assistance with Notice of Funding Opportunities (NOFOs) such as

ranking and rating, and provide application input. Additionally, AzDES staff reviews Emergency Solutions Grants (ESG) goals and performance along with the CoC.

Addressing the emergency shelter and transitional housing needs of homeless persons

AzDES awarded contracts to ESG-funded partners in seven of Arizona's fifteen counties, supporting 21 Emergency Shelter programs, four Street Outreach programs, 15 Rapid Rehousing programs, and 11 Homeless Prevention programs. During the reporting period, a total of 10,188 persons were housed in shelters. This consisted of 8,324 adults and 1,861 children.

ADOH has also been supporting the provision and expansion of Emergency Shelter and Transitional Housing options: a) Through the ADOH Rental Division, funding was provided for the new construction of a facility that will accommodate 120 transitional housing beds for homeless individuals. This project was completed in FY21. b) Through the CD&R Division, State Fiscal Recovery funding was provided for the acquisition and rehabilitation of hotel units to be converted to transitional housing units serving persons experiencing homelessness. A total of approximately 300 units are anticipated with 56 of those units already online and occupied at the end of FY21. CDBG-CV Funds have been awarded to 8 projects that will provide emergency and transitional housing for approximately 465 persons experiencing homelessness. c) Through AZ Housing Trust Fund, ADOH funds additional shelter capacity in Coconino County as well as coordinated funding to shelters in Maricopa County. These funds supplement Emergency Shelter funding provided by ESG and local entities. d) Through the Continuum of Care, one Transitional Project (TH/RRH) is funded in Balance of State. Additionally, additional funding was awarded for Emergency Shelter hotel vouchers in rural communities through the HUD Special NOFO for Unsheltered and Rural homelessness.

Not all counties in the Balance of State Continuum of Care (BOSCO) have a project based shelter. It is common practice for smaller Arizona communities to provide provide shelter through a motel voucher system. Some of these programs are funded through ESG while others are funded privately or through faith based organizations. Coconino County has the largest project based shelter in the thirteen (13) BOS counties.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Although efforts to end chronic homelessness continue to be a primary focus, prevention efforts have increased. CDBG-CV funding provided emergency subsistence payments to prevent renters from eviction and homeowners from foreclosure.

During times necessitating emergency response, Emergency Shelters play a crucial role in providing assistance to those in need. With funding from AzDES ESG, funded shelters offer services such as food, lodging, transportation, and supportive service case management. Each AzDES ESG funded shelter case management team conducts thorough assessments of clients as a part of the Coordinated Entry system to help individuals find appropriate housing options and stability supports. By offering these services, the Emergency Shelters ensure participants receive the support required to regain housing stability. The funding provided by AzDES ESG is crucial to the success of these efforts, and the Emergency Shelters remain an essential resource for individuals and families experiencing homelessness across the state.

The efforts continue in working to prevent and end homelessness for families, youth and Children. In Maricopa County, there is a Stand Strong for Families coalition that established a system of Coordinated Entry for families and continues their collaboration to lift all families out of homelessness. ADOH funds a RRH program in Maricopa County that focuses on housing families.

ADOH is coordinating with ADES and other local stakeholders to develop a continuum of services for homeless youth (including for transition aged youth) including those transitioning from the foster care or juvenile corrections systems. While Tucson received HUD COC Youth Demonstration project funds, the other two Arizona COCs did not. ADOH has been convening stakeholders in the Maricopa and BOS around youth coordination and through state HTF administered by ADOH and DES state homeless funds, has recently awarded a number of initial local grants to support coordination efforts. State funding will establish state-wide youth outreach, drop in centers, shelter and supportive services for homeless youth statewide. As part of this effort, ADES and ADOH are also working to develop the necessary collaboration and collective working groups necessary to forward youth work and establish eligibility for future COC funded Youth Demonstration projects statewide. Maricopa County is currently awaiting a notice of decision from HUD regarding its pending Youth Homeless Demonstration Project application.

ADOH is working with the Arizona Health Care Cost Containment System (AHCCCS, Arizona's Medicaid Administrator) and the three state HUD Continua of Care to develop a shared data warehouse to better coordinate coordination of care and discharge coordination between the homeless and Medicaid systems across Arizona. Both Maricopa County Regional Continuum of Care and the AZBOSCO have entered pilot data sharing agreements with AHCCCS to understand improve integrated health coordination for persons experiencing unsheltered homelessness or in emergency shelters, especially during the summer and other high health risk situations. Based on collected data, AHCCCS is revising its Managed Care network policies and processes to notify its providers of their members experiencing homelessness and connecting them to appropriate Medicaid funded services if eligible. AHCCCS has also used data to integrate homeless into their high cost/high need definitions for additional services.

The Governor's Office has convened an interagency work group including ADOH, ADES, the Arizona Department of Veterans Services, the Arizona Department of Corrections and AHCCCS to coordinate strategies around reducing homelessness including improved coordination of discharge from institutional settings.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Arizona has invested Federal and State resources to address homelessness statewide. The biggest identified barrier to reducing homelessness is lack of affordable housing stock in which to place persons or utilize voucher capacity. Key strategies and activities to reduce, shorten and prevent homelessness and chronic homelessness include:

As per AzDES' directives, all subcontractors are required to adhere to program goals and objectives, which entail identifying target populations to be served. It is required for all contracts to ensure that no less than sixty percent (60%) of all rapid rehousing and/or homeless prevention participants meet at least one (1) of the HUD priority population criteria.

Veteran programs have been highly successful in assisting veterans to find employment and secure permanent housing. Best practices show that permanent housing, either permanent supportive or rapid rehousing, especially for families is the best model. Therefore, less transitional housing is being funded. Within the AZBOSCOC, a dedicated Veteran's workgroup including all three AZ VA Hospitals and VA SSVF providers to achieve VA homeless housing placement goals. The VAs are currently exceeding their placement goals. The AZBOSCOC has created special Veteran HMIS reports and tools to support the work of identifying and navigating homeless veterans.

Subcontractors are required to adhere to standard performance outcomes which consist of HUD system performance measures including participants exiting a rapid rehousing program to permanent housing; rapid rehousing participants, number of program participants achieving income/employment and reduction in recidivism. These criteria also integrated into the objective scoring criteria used to evaluate and prioritize projects for HUD COC funding as required by HUD.

All three AZ COCs have established outreach, coordinated entry and case conferencing practices and use of HMIS to expedite identification, engagement and placement of persons experiencing homeless. This includes use of CoC HMIS prepared by name lists and standardized prioritization processes. In addition to direct service impacts, all three Continua of Care use data from these systems to improve performance in reducing time homeless, prioritizing chronic and other high need populations and identifying barriers to housing. All three Continua and state funded housing programs have adopted and have implemented Housing First principles and required compliance by contract. ADOH and ADES have worked to utilize and operationalize COC HMIS data to inform improvements at the program and system level. Some key activities have included use of HUD System Performance Measure tracking, evaluation benchmarking and creation of HMIS dashboards to facilitate CE and SPM data usage, and length of stay evaluation.

ADOH is working closely with its LIHTC and HTF programs to develop additional affordable housing capacity statewide. Incentives and special projects have been included to expand capacity for persons with disabilities and persons experiencing homelessness. In the last round of ADOH administered LIHTC 9% tax credit projects awarded in 2022, 20% of units created (366 out of 1874) were designated to serve these special populations.

The AzDES holds "Coffee Talk" sessions every two weeks to provide assistance and direction to our funded stakeholders. Furthermore, in association with the Arizona Housing Coalition, quarterly meetings were convened to bring together stakeholders representing other government partners, including ADOH, AHCCCS, and Arizona's three Continuums of Care (CoC) to discuss objectives, achievements, obstacles, and service delivery trends. These collaborative sessions highlight AzDES' dedication to delivering comprehensive and efficient services to all funded partners and service providers throughout Arizona.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

While ADOH and its Arizona Public Housing Authority (APHA) Division do not own or manage any public housing, the APHA has monitoring and compliance oversight of approximately 8,031 units through Project Based Contract Administration and approximately 230 Housing Choice Vouchers. The Housing Choice Voucher Program (HCVP) administered by the APHA is a small Housing Authority confined to Yavapai County and one that requires in-kind contributions from the State to administer. ADOH does not collect this information from the public housing authorities that service the nonentitlement regions of the State and has no authority over their programs, service areas, or outcomes.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

ADOH and its PHA Division do not own or manage any public housing. The State of Arizona will remain ready to assist any Public Housing Agency in Arizona with technical assistance and planning to ensure they promote resident involvement and continue to address the needs for public housing in their respective jurisdictions.

Actions taken to provide assistance to troubled PHAs

The State of Arizona is available to assist any Public Housing Agency in Arizona with technical assistance and planning to improve operations as needed in the event that a property experiences distress.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The Arizona Department of Housing collaborates with local, regional, and state government on a regular basis to remove barriers to affordable housing. Local governments are made aware of development barriers to multifamily housing during the Low Income Housing Tax Credit, Qualified Allocation Plan public participation process. The four (4) Councils of Governments in Arizona, along with their local government membership, are included in policy development for the Community Development Block Grant program especially as it relates to barriers to the construction of infrastructure in their jurisdictions. The ADOH administered Balance of State Continuum of Care involves local governments in the planning of local Point In Time counts in Arizona as well as the location of emergency shelters and other housing facilities for persons who are homeless. In the administration of the Weatherization Program, ADOH works with local utilities to ensure state and federal regulations do not restrict the ability to conduct weatherization improvements for low income homeowners. ADOH is a member of the National Association for State Community Assistance Programs, which is charged with advocating and enhancing the leadership role of states in preventing and reducing poverty. ADOH is a member of the National Council of State Housing Agencies, which advocates for affordable housing on behalf of its membership before Congress, the Administration, and several federal agencies. ADOH is also a member of the Council of State Community Development Agencies which advocates for community development, affordable housing, local economic development and state-local relations activities especially those serving low to moderate income communities and residents.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

ADOH addresses obstacles to meeting underserved needs on many fronts. Through the implementation of the CDBG program, ADOH provides technical assistance to non metropolitan local governments to assist with the planning, development, and phasing of critical infrastructure, housing, and public service activities for underserved areas and households. As the lead agency for the Balance of State Continuum of Care, ADOH provides technical assistance to homeless providers throughout the state in the conducting Point In Time counts, use of the VI SPDAT assessment tool, use of socialserve.com, use of HMIS, and most importantly, the collaboration with local service providers, law enforcement, and the emergency services to ensure every resource is available to address homelessness. Through its LCEHs, the AZBOSCO currently has over 300 agencies statewide working towards CoC goals including private sector, faith based, governmental and non profit partners.

In the implementation of the Federal and State Low Income Housing Tax Credit (LIHTC) program, ADOH has prioritized supportive housing, nonprofit owned housing, and housing on tribal land. In addition, ADOH has prioritized funding for development projects with community WIFI, proximity to amenities,

below market loans in underserved areas, senior, family and homeownership conversion projects, smoke-free housing, energy efficiency and projects agreeing to a waiver of the qualified contract. ADOH received a competitive award of HUD 811 funds to provide rental assistance for extremely low income persons with a developmental disability and is implementing it through the LIHTC program. ADOH uses HOME, National HTF and State HTF funds to provide gap financing for LIHTC projects that are able to demonstrate a need for the financing.

The Low Income Housing Tax Credit (LIHTC) program has been coordinated with the State HTF program funds.

AzDES has established specific program goals and objectives for all subcontractors. These objectives include providing services to specific target populations, as outlined in the contractual agreements. A minimum of 60% of participants enrolled in rapid re-housing or homeless prevention programs must meet one or more of the priority population criteria. These criteria are inclusive of individuals who are chronically homeless, disabled, struggling with substance abuse issues, recently released from an institution or substance abuse facility, aging out of child foster care, domestic violence survivors, young adults aged 18-24, veterans, or aged 62 or older. It is imperative that all subcontractors comply with these requirements to ensure the effective and efficient delivery of services to those in need.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

ADOH requires grantees to comply with the HUD lead based paint regulations implementing Title X of the Housing and Community Development Act of 1992. These regulations cover the CDBG, HOME, ESG, and HOPWA programs, and identify the appropriate type of activity to control lead paint hazards in projects using federal funds. Entities funded with these programs must ensure occupants are: 1) notified of the hazards of lead based paint; 2) conduct a visual assessment, paint testing, or risk assessment, depending on the activity; and 3) conduct lead hazard reduction activities, including paint stabilization, interim controls, standard treatments, or abatement, depending on the requirements for the activity type as identified in 24 CFR Part 35.

The ADOH Qualified Allocation Plan Section XI. Rehabilitation Projects states the following for Lead Based Paint:

“L. For properties built before 1978, use lead-safe work practices during renovation, remodeling, painting and demolition. “

“M. Complete a Phase I Environmental Assessment for all projects and a Hazardous Materials Study (asbestos and lead paint) for projects built before 1980. The minimum square footages in Section IV Interior Design are only applicable to rehabilitation where the Applicant is changing the structure of the unit to change the number of bedrooms in the unit or otherwise change the exterior footprint of the unit.” In addition, ADOH CD&R staff monitored all contracts to ensure they have a written plan that follows standard operating procedures for lead safe practices. Through their monitoring of assisted units

and beneficiary file documentation, no issues of noncompliance with federal lead based paint regulations were found in FY2021.

Additionally, ADOH: 1) collaborates with communities to reduce housing related lead based paint hazards; 2) encourages risk assessment for lead based paint being part of every home inspection; and 3) refers families with children to Arizona Department of Health Services, Office of Environmental Health for blood testing if lead based paint is found in units proposed for rehabilitation. The Arizona Department of Health Services maintains the lead exposure registry for Arizona. The program develops lead poisoning prevention programs, investigates cases with elevated blood lead levels, and conducts educational outreach activities. ADOH encourages training related to lead based paint hazards and will require that grantees utilize staff and contractors that have the appropriate training and certification. ADOH is a member of the Arizona Partnership for Healthy Communities, a body organized to promote health issues related to housing.

ADES programs assist individuals and not housing units. Therefore LBP does not apply.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

ADOH's antipoverty strategy is based on helping families to move to economic self sufficiency through employment opportunity and the provision of affordable housing. ADOH rehabilitated 95 owner occupied housing units, and committed funds for units assisting 489 homeless persons with affordable housing.

ADOH is available to provide assistance to local government in structuring effective economic development and job creation activity through the use of CDBG funds.

AzDES Homeless Coordination Office is committed to supporting homeless service providers throughout the state by providing access to training and technical assistance. To this end, the office regularly hosts Coffee Talk meetings where providers can come together to learn and share knowledge and resources.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

ADOH is a department of Arizona State government headed by a Governor appointed Director who, in conjunction with one (1) Deputy Director and three (3) Assistant Deputy Directors, oversees all activities of the agency. ADOH contracts with local governments, public housing authorities, nonprofit and for profit entities, and tribal entities to undertake the activities prescribed in the Consolidated Plan. In order to develop and maintain a strong institutional structure, ADOH requires a minimum standard of capacity prior to entering into funding contracts to ensure that federal funding may be utilized in the most effective manner as possible to meet the needs of low income persons in the State.

ADOH develops institutional structure by supporting capacity building efforts for local government, nonprofit organizations, and especially regional government like the four (4) rural Councils of

Government (COG) in Arizona. ADOH provides each rural COG with a Technical Assistance Contract for assisting local governments in developing viable CDBG projects. ADOH participates in a Weatherization Program Peer to Peer exchange held approximately quarterly to provide technical assistance to local governments and community action agencies in the conduct of their weatherization programs, which rely on private sector contractors. The private sector is an important collaborator bringing additional resources and expertise that can be used to supplement existing services or fill gaps in the system. Lenders, affordable housing developers, business and economic development organizations, and private service providers offer a variety of assistance to residents such as health care, small business assistance, home loan programs, and supportive housing, among others.

ADOH provides technical assistance to Arizona's twenty two (22) self governing tribes to enable them to access ADOH's Housing Rehabilitation and LIHTC programs multifamily housing production programs. ADOH operates the Arizona Public Housing Authority (APHA), administering a Housing Choice Voucher Program (HCVP) for Yavapai County, eighty (80) of which are restricted to homeless veterans through the Veterans Affairs Supportive Housing program. The APHA works closely with the Veterans Administration Medical Center to identify those in need. The APHA also administers approximately sixty (60) portable vouchers for Section 8 participants porting in from housing authorities throughout the country. The APHA also has a competitively awarded contract to provide Project Based Contract Administration throughout the state, which entails administering approximately 112 HUD subsidized rental properties, comprised of over 8,000 rental units. Through this program, participating properties are subsidized, allowing extremely low income tenants to pay approximately thirty percent (30%) of their adjusted monthly income toward rent.

AzDES Homeless Coordination Office collaborates with other AzDES departments to help providers connect clients to valuable services such as SNAP, Workforce Development, Childcare, LIHEAP, LIWAP, ERAP, and CAPS/CAA programs. By working together, these providers can create a more comprehensive and effective safety net for those who are experiencing homelessness in Arizona.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

Recognizing the collaborative relationship between affordable housing and human, social, and supportive services, ADOH established, and continues to strengthen, partnerships with the Arizona Department of Economic Security (DES), the Community Services Administration, the Family Assistance Administration, the Aging and Adult Administration, the Arizona Early Intervention Program, the Arizona Department of Health Services, the Arizona Health Care Cost Containment System, the Arizona Department of Veterans Services, the Arizona Commerce Authority, and the Governor's Office for Children, Youth, and Families. Coordination of public and private housing and social service agencies is strengthened by the following partnerships:

The Arizona Housing Coalition provides leadership in statewide efforts to end homelessness through advocacy, education, and coordination with local communities and initiatives.

The Section 811 Project Rental Assistance (PRA) Program. In partnership with DES, the ADOH is implementing a HUD 811 grant, which provides rental assistance to extremely low income/developmentally disabled (DD) persons. ADOH will administer the program utilizing in service LIHTC and other federally funded units in Arizona.

Regional Behavioral Health Authorities (RBHAs). AZ Division of Behavioral Health contracts with RBHAs who provide integrated health care through a provider service network. Each RBHA has a Housing Coordinator who is very engaged in the COC and housing process. AHCCCS also has an established housing department who not only oversees AHCCCS state funded housing capacity for persons experiencing homelessness and Serious mental illness, but they also coordinate with ADOH, ADES and other state partners on strategies to expand homeless coordination. In 2022, AHCCCS was awarded an 1115 demonstration waiver from CHS that will allow use of Medicaid funding to provide additional services for homeless persons determined SMI. These services will include Medicaid funding for transitional shelter, supportive services, street outreach and move in assistance for the eligible homeless populations. These services will be coordinated with the Continuum of Care.

Arizona SOAR State Steering Committee was created in June 2014 with TA being provided by SAMHSA, throughout the process of implementation. This project is designed to increase access to the disability income benefit programs administered by the Social Security Administration (SSA) for eligible adults who are homeless or at risk of homelessness and have a mental illness and/or a co occurring substance use disorder. Each COC has a local lead assisting with the execution of the Action Plan. ADOH continues to chair this workgroup and ongoing efforts.

The Arizona Department of Housing assisted with session content and speakers for the Arizona Housing Forum in August of 2023 at the J.W. Marriott Resort in Tucson, Arizona. The Forum is now hosted by the Arizona Housing Coalition and is a two (2) day professional housing conference with information sessions designed to impart new ideas and to engage Arizona's housing professionals in productive dialogues on improving Arizona's affordable housing environment. The forum included a virtual track for sessions surrounding homelessness issues. Over 500 persons registered to attend the conference representing a diverse cross section through government, nonprofit, and for profit entities.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

The Arizona Department of Housing contracts annually with the South West Fair Housing Council (SWFHC) to provide annual fair housing training, and outreach throughout Arizona. SWFHC conducts both virtual and in-person Fair Housing trainings as well as workshops throughout Arizona targeting housing consumers and providers. SWFHC has discovered that virtual training is reaching more of the housing consumers than previously. SWFHC also stocks locations such as city offices and nonprofit offices with fair housing literature for distribution to Arizona residents.

ADOH continues to update fair housing education and outreach programs to be responsive to changes in

fair housing law, changing cultural contexts of communities, Limited English Proficiency populations, and other demographic changes. ADOH continued to fund fair housing trainings that include proper referral procedures at no cost to public and private agencies. ADOH provided all CDBG subrecipients ongoing fair housing technical assistance. ADOH Request for Proposals (RFP) for housing and community development related projects and funding will require that proposals address how they will Affirmatively Further Fair Housing (AFFH) based on its impact to racial and ethnic concentrations of poverty and protected classes.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The draft CAPER was posted on September 8, 2023 on the publications page of the ADOH website. The Solicitation for Comments for the 2022 CAPER was publicized on September 8, 2023 through release of an Information Bulletin #45-23 which is posted to the ADOH website as well as emailed out to all local government, public and private partners and other interested persons on the ADOH mailing list. Additionally, solicitation for public comment was advertised in five (5) newspapers, with three (3) of those in rural Arizona. These newspapers were the Arizona Republic in Phoenix, Arizona with a statewide service area; Arizona Daily Star in Tucson, Arizona; Yuma Sun in Yuma, Arizona; the Arizona Daily Sun in Flagstaff, Arizona.; and the Kingman Daily Miner, which serves the City of Kingman and surrounding community of Golden Valley, Meadview, Dolan Springs and Chloride, Arizona. In all cases, the solicitation included a comment period beginning September 11, 2023 through September 25th, 2023 at 5pm. A period of 15 days . All Publications include information on how to obtain copies of reports for those individuals needing an alternative format and those spanish speaking persons needing assistance.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction’s program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

ADOH utilized CDBG funds in accordance with the objectives outlined in the Consolidated Plan and Action Plan. No changes in program objectives occurred. ADOH does not intend to change its program objectives at this time. The addition of CARES Act CDBG CV funds will adhere to the provisions of the Act as well as CDBG program and other federal crosscutting regulations.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 24 CFR 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in 24 CFR §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

All HOME funded properties that were to have been inspected this program year were inspected. ADOH has listed the names of the fifty-four (54) monitored properties in a separate table attached to this CAPER. The issues detected primarily concerned file “housekeeping” items where clarifications needed to be made. Other predominant items included minor maintenance issues.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 24 CFR 91.520(e) and 24 CFR 92.351(a)

ADOH Monitored fifty-four (54) properties. ADOH Compliance Staff reviews each file for compliance with Affirmative Marketing requirements. ADOH properties were found to be proactive about reaching out to individuals of all races and ethnicities and with all types of disabilities who might not otherwise apply to live in the HOME assisted units. Typical mediums for advertising are newspapers, internet, socialserve.com and myhousingsearch.com, flyers and mailing.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

No program income was used for the implementation or completion of projects during this reporting period.

Describe other actions taken to foster and maintain affordable housing. 24 CFR 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 24 CFR 91.320(j)

In the implementation of the Federal and State Low Income Housing Tax Credit (LIHTC) program, ADOH has prioritized funding for development projects with community WIFI, proximity to amenities, below market loans in underserved areas, senior, family and homeownership conversion projects, smoke-free housing, energy efficiency and projects agreeing to a waiver of the qualified contract. ADOH also follows guiding principles in its implementation of the Qualified Allocation Plan including the responsibility to low-income households, transparency throughout the process, equal distribution of resources across the state. Through the State Fiscal Recovery program and CDBG-CV program, ADOH has prioritized supportive housing for special populations, ADOH uses HOME, National HTF and State HTF funds to

provide gap financing for LIHTC projects that are able to demonstrate a need for the financing.

CR-55 - HOPWA 91.520(e)

Identify the number of individuals assisted and the types of assistance provided

Table for report on the one-year goals for the number of households provided housing through the use of HOPWA activities for: short-term rent, mortgage, and utility assistance payments to prevent homelessness of the individual or family; tenant-based rental assistance; and units provided in housing facilities developed, leased, or operated with HOPWA funds.

Narrative

ADOH assisted a total of seventy-four (74) HOPWA eligible households for the 2022 reporting year. This included thirty-seven (37) STRMU and thirty-seven (37) Tenant Based Rental assistance.

CR-56 - HTF 91.520(h)

Describe the extent to which the grantee complied with its approved HTF allocation plan and the requirements of 24 CFR part 93.

The ADOH was 100% in compliance with its approved National HTF allocation plan and the requirements of 24 CFR part 93. There were no new housing units completed at 30% or below of Area Median Income through the expenditure of National HTF. A Notice of Funds Available (NOFA) inviting applications for Rental Development to be funded with National Housing Trust Funds was issued June 2, 2023. New projects under this NOFA have been awarded as of the close of this FY22 reporting year.

Table 16 – Qualitative Efforts - Number of Activities by Program

Narrative

The State of Arizona does not expend ESG or HOPWA funds for any Section 3 covered activities. Additionally, per regulation, Arizona began implementing the new Section 3 requirements with all new contracts as of November 2020. Arizona collects Section 3 documentation at the close out of each project. There were no rental projects using HOME or National Housing Trust Funds completed during FFY22 that were required to track Section 3 according to new standard of worker hours and therefore no data to report. There were 6 CDBG contracted activities that were executed after the November 2020 start date that were completed during FY2022 that captured data on labor hours and qualitative Section 3 efforts.

Re: FY 2022 Consolidated Annual Performance Evaluation Report *and*
FY 2022 CDBG Performance Evaluation Report

Dear Ms. Clark,

The Arizona Department of Housing (ADOH) and the Arizona Department of Economic Security (DES) have submitted their FY 2022 Consolidated Annual Performance Evaluation Report (CAPER), ESG CAPER, and the CDBG Performance Evaluation Report (PER) through the eCon Planning Suite in IDIS.

These documents provide a breakdown of how the CPD formula-grant funds, provided through CDBG, HOME, HOPWA, and ESG, were invested to attain the goals and objectives articulated in the 3rd Year Annual Action Plan of the FY 2020-2024 Consolidated Plan.

Should you have any questions, please do not hesitate to call me directly at (602) 771-1209 or by email at: keon.montgomery@azhousing.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Keon Montgomery".

ADOH Information Bulletins are designed to provide important program information to Arizona communities, contractors, recipients, etc. who receive funding through CDBG, LIHTC, State Housing Fund (SHF) HOPWA Continuum of Care and National Housing Trust Fund.

INFORMATION BULLETIN: 44-23

ISSUED: September 8, 2023

RE: FY 2023 HUD Continuum of Care Notice of Funding Opportunity - Final Posting of Ranking and Scoring

In alignment with the 2023 HUD NOFO Continuum of Care Application requirements, this bulletin provides notification about the ranking and scoring of the renewal and bonus projects that will be submitted as part of the 2023 Arizona Balance of State Continuum of Care (AZBOSCO) Collaborative Application. This bulletin is in alignment with the HUD NOFO requirements to post all projects, all project rankings, all project scores, and funding amounts 15 days prior to the submission deadline of September 28, 2023.

The project ranking was approved by the AZBOSCO Governance Advisory Board on September 7, 2023, as part of their approval for the Arizona Department of Housing to submit the AZBOSCO Collaborative Application in response to the 2023 HUD CoC NOFO.

All renewal projects were accepted for inclusion in the AZBOSCO Collaborative Application. In addition, the two bonus applications, which were submitted in

response to the AZBOSCOC request for applications posted in August 2023, were also accepted for inclusion in the AZBOSCOC Collaborative Application. No renewal or bonus projects were rejected or reduced. The AZBOSCOC received no Domestic Violence (DV) specific bonus applications in response to the AZBOSCOC request for application.

The 2023 AZBOSCOC Collaborative Application will be submitted by the Arizona Department of Housing as the AZBOSCOC United Funding Agency and Collaborative Applicant in compliance with the HUD—September 28, 2023, submission deadline. The full AZBOSCOC Collaborative Application will be posted at least two days prior to the submission deadline. When posted the application can be found here: https://housing.az.gov/documents-links/forms/special-needs-continuum?tid_2=826

RE: Draft Consolidated Annual Performance and Evaluation Report

The Arizona Department of Housing (ADOH) has prepared a draft of its Federal FY 2022 Consolidated Annual Performance Evaluation Report (CAPER), which covers the period of July 1, 2022 to June 30, 2023. The CAPER discusses the progress the State has made in meeting its goals for the following federal programs of the U.S. Department of Housing and Urban Development (HUD), which are administered by the State: Community Development Block Grant (CDBG); HOME Investment Partnership Program; Housing Opportunities for Persons With AIDS (HOPWA); Emergency Solutions Grant (ESG); and National Housing Trust Fund (HTF), as well as other state and federal programs relating to housing development. The ESG funds are administered by the Arizona Department of Economic Security. ADOH is also making available for public review, the CDBG Performance Evaluation Report (PER). This report is part of the CAPER but contained in a separate document.

A draft of the CAPER and PER reports will be available September 11, 2023 on ADOH's website (https://housing.az.gov/documents-links/publications?tid_2=390) or by contacting the person listed below.

Evolution Report
The Arizona Department of Housing
(ADH) on behalf of the
State of Arizona, has prepared a
draft of its Federal FY 2022 Con-
solidated Annual Performance
Evolution Report (CAPER),
which covers the period of July 1,
2022 to June 30, 2023. The CAPER
describes the progress the State
has made in meeting its goals for
the following federal programs of
the U.S. Department of Housing
and Urban Development (HUD),
which are administered by the
State: Community Development
Block Grant (CDBG); HOME In-
vested Partnerships Program;
Housing Opportunities for Persons
with Disabilities (HOPWD);
Emergency Shelter Grant
(ESG); and National Housing
Trust Fund (NHTF); as well as
other state and federal programs
relating to housing development.
The ESG funds are administered
by the Arizona Department of
Economic Security. ADH is also
making available for public com-
ments the 2023 Performance
Evolution Report (PER). This
report is part of the CAPER but
contains a separate document.

A draft of the CAPER and PER

Project Outcomes

Project outcomes are required for all CAPERS where the program year start date is 1-1-2021 or later. This form replaces the narrative in CR-70 of the eCon Planning Suite.

From the Action Plan that covered ESG for this reporting period copy and paste or retype the information in Question 3 on screen AP-90. "Describe performance standards for evaluating ESG."

All service providers and agencies contracting with DES submit ESG program reports monthly and quarterly. Fiscal back-up documentation and participant tracking reports are attached to fiscal claims for reimbursement. DES contracts require agencies to submit quarterly reports that are designed to capture client data, fiscal expenditures billed, and services provided. At least once each year, DES will conduct desk reviews of the programs and at least once every two years, a comprehensive audit and site visit will be conducted of the program and facilities. Upon completion of the review and audits a written report is sent to the provider and a copy is maintained in the contract file.

Based on the information from the Action Plan response previously provided to HUD:

1. Briefly describe how you met the performance standards identified in A-90 this program year. If they are not measurable as written type in N/A as the answer:

DES completed hybrid virtual and onsite monitoring of all ESG annual contracts. Areas needing improvement were noted in the Report of Findings (ROF) and agencies corrected any findings within 30 days from receipt of ROF. Additionally, information received during the extensive monitoring process were used to improve performance standards and contract expectations for the new annual ESG contracts.

2. Briefly describe what you did not meet and why. If they are not measurable as written type in N/A as the answer:

N/A

OR

3. If your standards were not written as measurable, provide a sample of what you will change them to in the future? If they were measurable and you answered above type in N/A as the answer:

Narrative Questions	Response - Maximum 4,000 characters for each question.	Character Count
Provide a maximum of 4,000 characters narrative summarizing major achievements and highlights that were processed and completed during the program year. Include a brief description of the grant organization, area of service, the name(s) of the program contact(s), and an overview of the range/type of housing activities provided. This overview may be used for public information, including posting on HUD's website.	Arizona Department of Housing (ADOH) located in Phoenix, Arizona, is the HOPWA Formula Grantee for the State of Arizona. ADOH receives annual HOPWA funding from HUD to administer. For 20+ years, ADOH has been the lead applicant and facilitating agency to the Arizona Balance of State HUD-Continuum of Care and oversees the year around community and homeless resource planning process. HOPWA project sponsors:	0
Assess your program's success in enabling HOPWA beneficiaries to establish and/or better maintain a stable living environment in housing that is safe, decent, and sanitary, and improve access to care. Compare current year results to baseline results for clients. Describe how program activities/projects contributed to meeting stated goals. If program did not achieve expected targets, please describe how your program plans to address challenges in program implementation and the steps currently being taken to achieve goals in next operating year. If your program exceeded program targets, please describe strategies the program utilized and how these contributed to program successes.	Mohave County Community Services Development's (MCCSD) HOPWA Program is in its 15th year of operation. Our goals in the grant agreement with Arizona Department of Housing were to provide Tenant Based Rental Assistance with support services, such as case management, to a minimum of 11 eligible households. Actual accomplishments during this period are that MCCSD provided TBRA to 26 eligible households. MCCSD coordinated its housing assistance and case management with North County Health Care, the Ryan White grant recipient for the Mohave County service area. North County Health Care provides clients with essential medical services, medical related case	2895
Describe significant accomplishments or challenges in achieving the number of housing units supported and the number households assisted with HOPWA funds during this operating year compared to plans for this assistance, as approved in the Consolidated Plan/Action Plan. Describe how HOPWA funds were distributed during your operating year among different categories of housing and geographic areas to address needs throughout the grant service area, consistent with approved plans.	Mohave County has built a strong relationship with our local permit and healthcare providers so that we can better support those with HIV/AIDS. No matter where the individual is entering services in the county, they are able to be connected and supported by all of the providers. Mohave County has also built a strong relationship with our local landlords, which has allowed us to focus on average 6 HOPWA clients over our contracted amount and this amount is increasing annually.	1143
Report on program coordination with other mainstream housing and supportive services resources, including the use of committed leveraging from other public and private sources that helped to address needs for eligible persons identified in the Consolidated Plan/Strategic Plan.	At Mohave County Community Services (MCCSD) every family is assessed as a part of case management during intake and eligibility interview process and a Housing Plan was developed, including assistance in finding rental housing for the family, if needed. Describe any program technical assistance needs and how they would benefit program beneficiaries.	We would like to request a list of areas in which Technical Assistance can be provided.	87
Describe any barriers (including regulatory and non-regulatory) encountered in the administration or implementation of the HOPWA program, how they affected your program's ability to achieve the objectives and outcomes discussed, and, actions taken in response to barriers, and recommendations for program improvement. Provide an explanation for each barrier selected. Describe any trends in the community that may affect the way in which the needs of persons living with HIV/AIDS are being addressed, and provide any other information important to the future provision of services to this population. Identify any evaluations, studies, or other assessments of the HOPWA program that are available to the public.	Mohave County (MCCSD) is seeing increases in rents in the community they serve as the economy improves. Finding one bedroom units, particularly those that include all utilities, within the rent structure is increasingly difficult. These units are very important for clients who enter the program without income. Northland Care notes the cost of renting in Flagstaff and Coconino Counties, makes it very difficult to find housing that is within the Fair Market Rental prices. Finding housing has been very difficult. The cost of most apartment rentals is, of and sometimes more than what one would pay for a mortgage. New apartment complexes were built, and	2434

Housing Opportunities for Persons With AIDS (HOPWA) Program

Revised: 11/14/2022

Consolidated APR/CAPER – HOPWA Provider

OMB Number 2506-0133 (Expiration Date: 12/31/2024)

Overview

The public reporting burden for this collection of information is estimated to average 40.0 hours, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Performance Reports for HOPWA formula grantees and competitive grantees provide HUD with annual information to support program evaluation and measure program beneficiary outcomes related to maintaining housing stability; preventing homelessness; and improving access to care and support. This collection of information consolidates the information in the APR and CAPER reports and clarifies reporting requirements, which will allow HUD's Office of HIV/AIDS Housing to better respond to data calls from Congress and make better program decisions based on more relevant grantee annual data. Reporting is required for all HOPWA grantees pursuant to 42 U.S.C. § 12911; 24 CFR §§ 574.520(a) and (b); 24 CFR § 91.520(f). The information collected regarding grantees, their respective project sponsors, and the identities of HOPWA program participants will remain confidential pursuant to 42 U.S.C. § 12905(e) and 24 § CFR 574.440.

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions to reduce this burden, to Colette Pollard, Reports Management Officer, Department of Housing and Urban Development, 451 7th Street SW, Room 4176, Washington, DC 20410-5000. When providing comments, please refer to OMB Control No. 2506-0133. HUD may not conduct and sponsor, and a person is not required to

HOPWA formula grantees are required to submit a Performance Report demonstrating coordination with other Consolidated Plan resources. HUD uses the Performance Report data to obtain essential information on grant activities, project sponsors, housing sites, units and households, and beneficiaries (which includes racial and ethnic data on program participants). The Consolidated Plan Management Process tool (CPMP) provides an optional tool to integrate the reporting of HOPWA specific activities with other planning and reporting on Consolidated Plan activities.

In addition, grantees must comply with the Federal Funding Accountability and Transparency Act 2006 (Public Law 109-282), which requires grant recipients to provide general information for all entities (including

HOPWA competitive grantees are required to submit a Performance Report for each operating year in which HOPWA grant funds were expended. Information on each competitive grant is to be reported in a separate Performance Report. Grantees approved for "Other Activities," as detailed in their grant agreement, are requested to report on their unique program accomplishments.

In addition, grantees must comply with the Federal Funding Accountability and Transparency Act 2006 (Public Law 109-282), which requires grant recipients to provide general information for all entities (including

Continued-use Periods. Grantees that used HOPWA funding for new construction, acquisition, or substantial rehabilitation of a building or structure are required to operate the building or structure for HOPWA-eligible beneficiaries for a ten (10) years period. If no further HOPWA funds are used to support the facility, in place of completing the "CAP DEV" tab in the Performance Report Worksheet, the grantee must complete an Annual Report of Continued Project Operation throughout the required use periods. This report is found on the "STEWARDSHIP" tab of this workbook. The required use period is three (3) years if the rehabilitation is non-

<p>Record Keeping. Names and other individual information must be kept confidential, as required by 24 CFR 574.440. However, HUD reserves the right to review the information used to complete this report for grants management oversight purposes, except for recording any names and other identifying information. In the case that HUD must review client-level data, no client names or identifying information will be retained or recorded. Information is reported in aggregate to HUD without personal identification. Do not submit client or personal</p>
<p>HMIS. In connection with the development of the Department’s standards for Homeless Management Information Systems (HMIS), universal data elements are being collected for clients of <u>HOPWA-funded homeless assistance projects</u>. These project sponsor records would include: Name, Social Security Number, Date of Birth, Ethnicity and Race, Gender, Veteran Status, Disabling Conditions, Residence Prior to Program Entry, Zip Code of Last Permanent Address, Housing Status, Program Entry Date, Program Exit Date, Personal Identification Number, and Household Identification Number. These are intended to match the elements under HMIS. The HOPWA program-level data elements include: Income and Sources, Non-Cash Benefits, HIV/AIDS Status, Services Provided, Housing Status or Destination at the end of the operating year, Physical Disability, Developmental Disability, Chronic Health Condition, Mental Health, Substance Abuse, Domestic Violence, Medical Assistance, and T-cell Count. Other HOPWA projects sponsors may also benefit from collecting these data elements. HMIS local data systems must maintain client confidentiality by using a closed system in which medical information and HIV status are only shared with providers that have a direct involvement in the client’s</p>
<p>Formula Operating Year. HOPWA formula grants are annually awarded for a three-year period of performance with three operating years. The information contained in this Performance Report must represent a one-year period of HOPWA program operation that coincides with the grantee’s program year; this is the operating year. More than one HOPWA formula grant awarded to the same grantee may be used during an operating year and the Performance Report must capture all formula grant funding used during the operating year. Project sponsor accomplishment information must also coincide with the operating year this Performance Report covers. Any change to the period of performance requires the approval of HUD by amendment, such as an extension for an</p>
<p>Competitive Operating Year. HOPWA competitive grants are awarded for a three-year period of performance with Performance Reports submitted for each of the three operating years. The information contained in this Performance Report should reflect the grantee’s operating year with the beginning date determined at the time the grant agreement is signed. Project sponsor accomplishment information must coincide with the operating year this Performance Report covers. Any change to the period of performance requires the approval of HUD by amendment, such as an extension for one additional operating year. A PSH renewal/replacement grant start date would be coordinated with the close out of the existing grant.</p>
<p>Grantees with an approved extension period of less than 6-months must submit the Performance Report for the third year of the grant term at the end of the approved extension period and incorporate data from the additional months. Grantees with an approved extension period of 6-months or more must turn in a</p>
<p>Filing Requirements. Within 90 days of the completion of each operating year, grantees must submit their completed Performance Report to the CPD Director in the grantee’s State or Local HUD Field Office, and to the HOPWA Program Office: at HOPWAReports@hud.gov. Electronic submission to HOPWA Program office is preferred. If electronic submission is not possible, please send an email to the HOPWA@hud.gov email inbox.</p>
<p>Definitions</p>
<p>Achieved Viral Suppression: When the load or volume of HIV virus present in a person’s blood is measured at less than 200 copies per milliliter of blood.</p>
<p>Adjustment for Duplication: Enables the calculation of unduplicated output totals by accounting for the total number of households or units that received more than one type of HOPWA assistance in a given service category such as HOPWA Subsidy Assistance or Supportive Services.</p>

<p>Administrative Costs: Costs for general management, oversight, coordination, evaluation, and reporting. By statute, grantee administrative costs are limited to 3% of the total grant award, to be expended over the life of the grant. Project sponsor administrative costs are limited to 7% of the portion of the grant amount they</p>
<p>Anti-Retroviral Therapy: The combination of drugs used to treat HIV.</p>
<p>Area Median Income: The Department of Housing and Urban Development (HUD) sets income limits that determine eligibility for assisted housing programs including the HOPWA program. HUD develops income limits based on Median Family Income estimates and Fair Market Rent area definitions for each metropolitan area, parts of some metropolitan areas, and each non-metropolitan county. AMI values vary by location and are</p>
<p>Beneficiary(ies): All members of a household (with or without HIV) who benefitted from HOPWA assistance during the operating year, NOT including the HOPWA eligible individual (see definition).</p>
<p>Chronically Homeless Person: An individual or family who is homeless and lives or resides as an individual or family who a) lives or resides in a place not meant for human habitation, a safe haven, or in an emergency shelter; b) has been homeless and living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter continuously for at least one year or on at least four separate occasions in the last three years; and c) has an adult head of household (or a minor head of household if no adult is present in the household) with a diagnosable substance use disorder, serious mental illness, developmental disability (as defined in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15002), post-traumatic stress disorder, cognitive impairments resulting from a brain injury, or chronic physical illness or disability, including the co-occurrence of two or more of those conditions. Additionally, the statutory definition includes as chronically homeless a person who currently lives or resides in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital or other similar facility, and has</p>
<p>Disabling Condition: Evidencing a diagnosable substance use disorder, serious mental illness, developmental disability, chronic physical illness, or disability, including the co-occurrence of two or more of these conditions. In addition, a disabling condition may limit an individual's ability to work or perform one or more activities of daily living. An HIV/AIDS diagnosis is considered a disabling condition.</p>
<p>Facility-Based Housing Assistance: All eligible HOPWA Housing expenditures for or associated with supporting facilities including community residences, SRO dwellings, short-term facilities, project-based rental units, master leased units, and other housing facilities approved by HUD.</p>
<p>Faith-Based Organization: Religious organizations of three types: (1) congregations; (2) national networks, which include national denominations, their social service arms (for example, Catholic Charities, Lutheran Social Services), and networks of related organizations (such as YMCA and YWCA); and (3) freestanding religious organizations, which are incorporated separately from congregations and national networks.</p>
<p>Grassroots Organization: An organization headquartered in the local community where it provides services; has a social services budget of \$300,000 or less annually, and six or fewer full-time equivalent employees. Local affiliates of national organizations are not considered "grassroots."</p>
<p>HOPWA Eligible Individual: The one (1) low-income person with HIV/AIDS who qualifies a household for HOPWA assistance. This person may be considered "Head of Household." When the Performance Report asks for information on eligible individuals, report on this individual person only. Where there is more than one person with HIV/AIDS in the household, the additional PWH/A(s), would be considered a beneficiary(s).</p>
<p>HOPWA Housing Information Services: Services dedicated to helping persons living with HIV/AIDS and their families to identify, locate, and acquire housing. This may also include fair housing counseling for eligible persons who may encounter discrimination based on race, color, religion, sex, age, national origin, familial</p>
<p>HOPWA Housing Subsidy Assistance Total: The unduplicated number of households receiving housing subsidies (TBRA, STRMU, Permanent Housing Placement services and Master Leasing) and/or residing in units of facilities dedicated to persons living with HIV/AIDS and their families and supported with HOPWA funds during the</p>

<p>Household: A single individual or a family composed of two or more persons for which household incomes are used to determine eligibility and for calculation of the resident rent payment. The term is used for collecting data on changes in income, changes in access to services, receipt of housing information services, and outcomes on achieving housing stability. Live-In Aides (see definition for Live-In Aide) and non-beneficiaries (e.g., a shared housing arrangement with a roommate) who resided in the unit are not reported in the Performance Report.</p>
<p>Housing Stability: The degree to which the HOPWA project assisted beneficiaries to remain in stable housing during the operating year.</p>
<p>Improved HIV Viral Load: A reduction in the load or volume of HIV present in the HOPWA eligible individual's blood at the end of the reporting period compared to the beginning of the reporting period. Most PLWHA who are engaged in medical care have routine laboratory tests. The HOPWA eligible individual's latest laboratory</p>
<p>In-kind Leveraged Resources: These are additional types of support provided to assist HOPWA beneficiaries such as volunteer services, materials, use of equipment and building space. The actual value of the support can be the contribution of professional services, based on customary rates for this specialized support, or actual costs contributed from other leveraged resources. In determining a rate for the contribution of volunteer time and services, use the criteria described in 2 CFR 200. The value of any donated material, equipment, building, or lease should be based on the fair market value at time of donation. Related documentation can be from recent bills of sales, advertised prices, appraisals, or other information for comparable property similarly situated.</p>
<p>Leveraged Funds: The amount of funds expended during the operating year from non-HOPWA federal, state, local, and private sources by grantees or sponsors in dedicating assistance to this client population. Leveraged funds or other assistance are used directly in or in support of HOPWA program delivery.</p>
<p>Live-In Aide: A person who resides with the HOPWA Eligible Individual and who meets the following criteria: (1) is essential to the care and well-being of the person; (2) is not obligated for the support of the person; and (3) would not be living in the unit except to provide the necessary supportive services. See Code of Federal Regulations Title 24 Part 5.403 and the HOPWA Grantee Oversight Resource Guide for additional reference.</p>
<p>Master Leasing: Applies to a nonprofit or public agency that leases units of housing (scattered-sites or entire buildings) from a landlord and subleases the units to homeless or low-income tenants. By assuming the tenancy burden, the agency facilitates housing of clients who may not be able to maintain a lease on their own due to</p>
<p>Medically Assisted Living Facilities: HOPWA facility-based housing that assists residents with most or all activities of daily living, such as meals, bathing, dressing, and toileting. Regular medical care, supervision, and</p>
<p>Nonbinary: A gender other than singularly female or male.</p>
<p>Operating Costs: Applies to facility-based housing only, for facilities that are currently open. Operating costs can include day-to-day housing function and operation costs like utilities, maintenance, equipment, insurance, security, furnishings, supplies and salary for staff costs directly related to the housing project but not staff costs</p>
<p>Outcome: The degree to which the HOPWA assisted household has been enabled to establish or maintain a stable living environment in housing that is safe, decent, and sanitary, (per the regulations at 24 CFR 574.310(b)) and to reduce the risks of homelessness and improve access to HIV treatment and other health care and</p>
<p>Output: The number of units of housing or households that receive HOPWA assistance during the operating</p>
<p>Permanent Housing Placement: A supportive housing service that helps establish the household in the housing unit, including but not limited to reasonable costs for security deposits not to exceed two months of rent costs.</p>
<p>Program Income: Gross income directly generated from the use of HOPWA funds, including repayments. See grant administration requirements on program income at 2 CFR 200.307.</p>
<p>Project-Based Rental Assistance (PBRA): A rental subsidy program that is tied to specific facilities or units owned or controlled by a project sponsor. Assistance is tied directly to the properties and is not portable or</p>
<p>Project Sponsor Organizations: Per HOPWA regulations at 24 CFR 574.3, any nonprofit organization or governmental housing agency that receives funds under a contract with the grantee to provide eligible housing and other support services or administrative services as defined in 24 CFR 574.300. Project Sponsor organizations are required to provide performance data on households served and funds expended.</p>

<p>SAM: All organizations applying for a Federal award must have a valid registration active at sam.gov. SAM (System for Award Management) registration includes maintaining current information and providing a valid</p>
<p>Short-Term Rent, Mortgage, and Utility (STRMU) Assistance: A time-limited, housing subsidy assistance designed to prevent homelessness and increase housing stability. Grantees may provide assistance for up to 21 weeks in any 52-week period. The amount of assistance varies per client depending on funds available, tenant</p>
<p>Stewardship Units: Units developed with HOPWA, where HOPWA funds were used for acquisition, new construction and rehabilitation that no longer receive operating subsidies from HOPWA. Report information for the units is subject to the three-year use agreement if rehabilitation is non-substantial and to the ten-year use</p>
<p>Tenant-Based Rental Assistance (TBRA): TBRA is a rental subsidy program similar to the Housing Choice Voucher program that grantees can provide to help low-income households access affordable housing. The TBRA voucher is not tied to a specific unit, so tenants may move to a different unit without losing their assistance, subject to individual program rules. The subsidy amount is determined in part based on household</p>
<p>Transgender: Transgender is defined as a person who identifies with, or presents as, a gender that is different from his/her gender assigned at birth</p>
<p>VAWA Internal Emergency Transfers: Per 24 CFR 5.2005e, an emergency transfer under the VAWA protections refers to an emergency relocation of a tenant to another unit where the tenant would not be categorized as a new applicant; that is, the tenant may reside in the new unit without having to undergo an application process.</p>
<p>VAWA External Emergency Transfers: Per 24 CFR 5.2005e, an emergency transfer under the VAWA protections refers to an emergency relocation of a tenant to another unit where the tenant would be categorized as a new applicant; that is, the tenant must undergo an application process in order to reside in the new unit.</p>
<p>Veteran: A veteran is someone who has served on active duty in the Armed Forces of the United States. This does not include inactive military reserves or the National Guard unless the person was called up to active duty.</p>
