

## **Balance of State Continuum of Care Membership Workgroup**

**Minutes: Conference Call, 12/20/12**

### **Attendance:**

Jennifer Birch, Mohave County  
Liz Collier, Nogales Community Development  
Valarie Donnelly, City of Yuma  
Jennifer Harper, Mohave County  
Michele Janke, CAHRA  
Adam Robson, DBHS

### **Follow-up from previous meeting**

- Joy sent a map of the AZ counties, showing which areas have meetings.
- Valarie sent information that she used when getting the Yuma Coalition to End Homelessness started.

### **New discussion**

- The map was not entirely accurate. Liz chairs Santa Cruz, which was not on the map. Shelly chairs the group in Casa Grande, which is a networking group but they include a Continuum of Care meeting within the networking meeting.
- Participants listed off contacts that they are aware of in the various counties.
- The information from Valarie can be used as a basis to create a presentation that can be taken to counties that don't have meetings. This can assist them in organizing their community.

### **For follow-up**

- Shelly will review the map, confirm the accuracy, as well as the contacts.
- Valarie will create a spreadsheet of required agencies for COC's to use as a checklist.
- The group will work on a survey to send out, identifying if the county has regular meetings, who attends, etc. Shelly and Valarie will look into creating a survey monkey. Anyone who thinks of questions to add should email them to Shelly.

**Next meeting:** February 7 at 9:00.
