RE: FY 2024 HUD Continuum of Care Notice of Funding Opportunity - Final Posting of Ranking and Scoring

In alignment with the 2024 HUD NOFO Continuum of Care Application requirements, this bulletin provides notification about the ranking and scoring of the renewal and bonus projects that will be submitted as part of the 2024 Arizona Balance of State Continuum of Care (AZBOSCO) Collaborative Application in response to HUD NOFO FR-6800-N-25. This bulletin aligns with the HUD NOFO requirements to post all projects, all project rankings, all project scores, and funding amounts 15 days before the submission deadline of October 30, 2024.

The AZBOSCO Governance Advisory Board approved the project ranking on October 8, 2024, as part of their approval for the Arizona Department of Housing to submit the AZBOSCO Collaborative Application in response to the 2024 HUD CoC NOFO.

All renewal projects were accepted for inclusion in the AZBOSCO Collaborative Application. In addition, a total of three bonus and two DV bonus applications, which were submitted in response to the AZBOSCO request for applications posted in August 2024, were accepted for inclusion in the AZBOSCO Consolidated Application.

No renewal projects were rejected or reduced. A total of eight bonus (bonus and DV bonus) projects were submitted to the local competition. Of those, five were included in the AZBOSCO consolidated application and three were not. Detail is provided in the table below.

The 2024 AZBOSCO Consolidated Application will be submitted by the Arizona Department of Housing as the AZBOSCO United Funding Agency and Collaborative Applicant in compliance with the HUD by the October 30, 2024 submission deadline. The full AZBOSCO Consolidated Application will be posted at least two days prior to the submission deadline. When posted the application can be found here: https://housing.az.gov/documents-links/forms/special-needs-continuum?tid_2=858
