RE: Arizona Weatherization Assistance Program

The Arizona Department of Housing (ADOH) is providing notice that the Weatherization Assistance Program (WAP) administered by the CD&R Division and funded with DOE, LIHEAP, APS, SRP and SWG resources remains in full production.

The ten (10) service providers in the WAP program network continue to accept applications for assistance from the public and weatherization retrofit efficiencies are being installed in WAP eligible client residences.

Further information about the WAP program and contact information for the network providers can be obtained from the ADOH website here: <https://housing.az.gov/general-public/weatherization-assistance-program>

If you have questions, please contact Travis Ekenberg, WAP Program Manager at travis.ekenberg@azhousing.gov or Kathy Blodgett, CD&R Programs Administrator at kathy.blodgett@azhousing.gov.
