How do I locate affordable housing in Arizona?

The Arizona Department of Housing (ADOH) is contacted several times per day with this exact question. As housing providers, we cannot guide, steer, or direct anyone to any specific property or area. That said, we are able to provide general information, as we are knowledgeable, for the state of Arizona.

In general, we provide a listing of all 24 Housing Authorities in the State of Arizona which may be retrieved from our website at <https://housing.az.gov/general-public/search-affordable-housing-az> and also attached. This link also directs persons to the Socialserve Connect to Housing website at <http://www.socialserve.com/index.html> where affordable housing may be located and also attached. In addition to these valuable resources, the link also directs persons to the HUD Resource Locator at <https://resources.hud.gov/> where persons/families may locate affordable housing such as:

- Find Affordable Housing Opportunities Near Me
- Find a HUD Office Near Me
- Find My Local Public Housing Authority/Agency
- Find Homeless Resources Near Me
- Find Affordable Elderly and Special Needs Housing
- View All Resources

The resources mentioned above are not all inclusive but will hopefully provide what is needed to locate suitable and affordable housing in Arizona. If you are in need of affordable housing, please do not hesitate to contact our office for further information.

Thank you, Greg Cooper - 602-771-1051
