MANUFACTURED HOUSING HOMEOWNER INFORMATION BULLETIN – (USED)

The Arizona Department of Housing ("Department") is the licensing agency and regulatory authority for manufacturers, dealers, brokers, salespersons and installers of manufactured homes. The Department is responsible by law for enforcing the standards, rules and regulations under which your unit was constructed, sold and installed. The Department has established procedures for handling unresolved consumer complaints against licensees. If any problems should arise, we suggest you take the following steps:

- 1. Send the dealer or broker a letter detailing your problems. Keep a copy for your records. After a short period of time, follow up your letter with a phone call.
- 2. If after a reasonable time the problem is not resolved, contact the Department at the above address. Our Complaint Section will assist you in a fair resolution to your problem with complaints that are filed within one year from the date of sale or installation.

If you have any questions, feel free to contact the Department. Misrepresenting a downpayment or financing on a credit application to influence a federal agency or a financial institution is a violation of federal law.
