Arizona Manufactured Home Installation – Online Training

This course is an online training course. You must have Internet access to take the course. When a student registers for the course, they are mailed a copy of the book, *Manufactured Home Installation Guide*, written by George Porter.

Registration fee for this course is \$255.00. The application and instructions on how to obtain licensure in Arizona as an Installer of Manufactured Homes, Factory Built Buildings and Accessories is available for download at the following link: <http://www.dfbls.az.gov/userfiles/file/packets/installerlicensingpacket.pdf>. A Study Guide for Arizona specific Installation testing can be reviewed or downloaded from: <http://www.dfbls.az.gov/omh/licensing/installer.aspx>.

Course Description

The industry's well-known trainer in the area of manufactured home installation, George Porter of Manufactured Housing Resources, has created this *Manufactured Home Installation – Online Training* program. With humor and simple (but comprehensive) explanations of the installation process, this course will take the installer from the first to the last step to installing a manufactured home.

The course contains lively audio, plentiful photo examples, and video demonstrating various aspects of the home installation process. Many of the topics covered are listed below:

- High Tech Factory Built Housing Deserves High Tech Installation
- Principles of Load-Bearing Capacity
- The Importance of Proper Site Preparation
- Planning Your Route to the Home Site
- How to Correct and Prevent Drainage Problems
- Soil Testing
- Determining the Proper Footings and Piers
- Stabilizing or Anchoring Systems
- Using the Wind Zone Map, Roof Load Map and U/O Value Zone Map
- Information on the Data Plate
- Reading Installation Manual Charts
- The Importance of Proper Ventilation
- Proper Installation of Ductwork
- Proper Support of Marriage Line Openings
- Side-Wall Weight – Consideration of Homeowner Possessions
- Planning for Moving the Home Onto Its Foundation
- Closing and Securing Multi-Section Homes
- Leveling the Home
- Symptoms of Installation Problems
- Connecting the Home to Utilities and Appliances
- Proper Installation of Add-Ons
- Safety Considerations for the Installer

To register online and pay by credit card go to <http://mhei.myicourse.com> and register as a student on the site. Then login to the site and click on “Course Catalog” and select the “Arizona Manufactured Home Installation” course.
