You must contact the Arizona Corporation Commission to obtain the requirements for this procedure. Due to the length of time that it may take to obtain the Certificate of Authority from the Arizona Corporation Commission, you may wish to apply for this Authority **prior** to submitting an Application to the Department as the applicant is under a 90-day time limit to complete all license requirements to avoid forfeiture of any fees the applicant may have paid to the Department.

VI. **TRUST OR ESCROW REQUIREMENTS – DEALERS/BROKERS/RETAILERS**

- A. Prior to issuance of a license, each applicable dealer/broker/retailer applicant shall notify the Department, on the form provided, of the name and number of the account established as the trust or escrow account, the name and **ARIZONA** location of the financial institution where the account was established, and the date the account was opened. An applicant may keep up to \$200.00 of its own funds in the trust or escrow account to offset service charges. If you choose to utilize a title/escrow company instead of opening an account with a financial institution, the account number on the Trust or Escrow Account Authorization for Release of Information form should be stated as "various" because the title/escrow company will assign a different escrow number for each customer.
- B. Beginning July 1, 2012, all transactions involving a new manufactured home must go through a title/escrow company unless the dealer meets the requirements set forth in A.R.S. § 41-4030 (C).

Beginning July 1, 2012, the purchaser involved in the purchase of a used manufactured home, mobile home or used factory-built building designed for use as a residential dwelling with a purchase price of under \$50,000.00 may request in writing, no later than the time the purchase contract is signed, that the dealer use a title/escrow company and, if the seller consents, the dealer must do so.

- F. The dealer/broker/retailer shall authorize the release of any and all information relative to the trust or escrow account to the Department by completing, signing and returning the provided Trust or Escrow Account Authorization for Release of Information form.
- G. The applicant must submit a copy of the trust or escrow account signature card or account application to the Department with the completed Trust or Escrow Account Authorization for Release of Information form. If a title company is utilized instead of a trust or escrow account, a copy of the signature card or account application is not applicable. Instead, the applicant must provide the Department with a signed letter from the title/escrow company (that is on their letterhead) that states that the title/escrow company is willing to handle 'home only' transactions.

VII. **WRITTEN EXAMINATIONS – DEALER/BROKER/RETAILER OR INSTALLER CLASSIFICATIONS**

 - 1. Have a minimum of 3 years practical or field management experience in the specific type of installation, a related construction field, or the equivalent, for which the applicant is applying. At least 2 of the 3 years experience shall be within 10 years of the date of the application. The applicant may substitute technical training in the specific type of installation, a related construction field, or the equivalent, from an accredited college or university or from a Department of Housing workshop for no more than 1 year of the 3 years experience required. Certification Experience Verification forms must be completed by past or present employers and submitted to the Department.
 - 2. Supply a certified copy of each official transcript or certificate, demonstrating successful completion of any technical training the applicant wishes the Department to consider as proof of meeting the experience requirement.

Applicant born abroad to two U.S. citizen parents: Evidence of the U.S. citizenship of the parents and the relationship of the applicant to the parents, and evidence that at least one parent resided in the U.S. or an outlying possession prior to the applicant's birth.

Applicant born abroad to a U.S. citizen parent and a U.S. non-citizen national parent: Evidence that one parent is a U.S. citizen and that the other is a U.S. non-citizen national, evidence of the relationship of the applicant to the U.S. citizen parent, and evidence that the U.S. citizen parent resided in the U.S., a U.S. possession, American Samoa or Swain's Island for a period of at least one year prior to the applicant's birth.

Applicant born out of wedlock abroad to a U.S. citizen mother: - Evidence of the U.S. citizenship of the mother, evidence of the relationship to the applicant and, for births on or before December 24, 1952, evidence that the mother resided in the U.S. prior to the applicant's birth or, for births after December 24, 1952, evidence that the mother had resided, prior to the child's birth, in the U.S. or a U.S. possession for a period of one year.

Applicant born in the Canal Zone or the Republic of Panama:

- A birth certificate showing birth in the Canal Zone on or after February 26, 1904 and before October 1, 1979 and evidence that one parent was a U.S. citizen at the time of the applicant's birth; or
- A birth certificate showing birth in the Republic of Panama on or after February 26, 1904 and before October 1, 1979 and evidence that at least one parent was a U.S. citizen and employed by the U.S. government or the Panama Railroad Company or its successor in title.

In all other situations in which an applicant claims to have a U.S. citizen parent and an alien parent, or claims to fall within one of the above categories, but is unable to present the listed documentation:

- If the applicant is in the U.S., the applicant should contact the local U.S. Citizenship and Immigration Service office for determination of U.S. citizenship;
- If the applicant is outside the U.S., the applicant should contact the State Department for a U.S. citizenship determination.

e. Adoption of Foreign-Born Child by U.S. Citizen

- If the birth certificate shows a foreign place of birth and the applicant cannot be determined to be a naturalized citizen under any of the above criteria, obtain other evidence of U.S. citizenship;
- Because foreign-born adopted children do not automatically acquire U.S. citizenship by virtue of adoption by U.S. citizens, the applicant should contact the local U.S. Citizenship and Immigration Service office for a determination of U.S. citizenship, if the applicant provides no evidence of U.S. citizenship.

f. U.S. Citizenship By Marriage

A woman acquired U.S. citizenship through marriage to a U.S. citizen before September 22, 1922. Provide evidence of U.S. citizenship of the husband, and evidence showing the marriage occurred before September 22, 1922.

Note: If the husband was an alien at the time of the marriage, and became naturalized before September 22, 1922, the wife also acquired naturalized citizenship. If the marriage terminated, the wife maintained her U.S. citizenship if she was residing in the U.S. at that time and continued to reside in the U.S.
