

MORTGAGE ASSISTANCE IN ARIZONA

What do the numbers say?

Save Our Home AZ provides assistance to eligible Arizona homeowners. The multiple components of the program include:

- Principal Reduction Assistance for modification or eligible refinances
- Unemployment/Underemployment Mortgage Assistance
- Reinstatement of Delinquent payments
- Second Lien Elimination
- Short Sale Assistance
- Down Payment Assistance **NEW!**

While there has been a noticeable improvement in Arizona's housing market, with Arizona's foreclosure rate dropping to pre-recession levels, thousands of Arizona homeowners are still facing foreclosure and approximately 18% are still underwater with their mortgages. Currently, the agency has been able to financially assist 4,376 families avoid foreclosure and stay in their homes. Over \$142.2 million in program assistance is expended or committed to individual homeowners as of March 31, 2016 to assist these homeowners through the Save Our Home AZ program, funded by the United States Department of the Treasury. Arizona's foreclosure hotline has also assisted over 81,683 troubled homeowners with important information and housing counseling services.
