5.0 5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.

5.1 Mission. State the PHA’s Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA’s jurisdiction for the next five years:

The mission of the ADOH is the same as that of the Office of Public and Indian Housing: To ensure safe, decent, and affordable housing.

5.2 Goals and Objectives. Identify the PHA’s quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

Goals and Objectives

The ADOH will strive to provide affordable housing to the maximum number of families allowable within the constraints of reduced funding. We will also strive to maintain our SEMAP rating as a High Performing PHA.

Progress Report

The ADOH applied for and received 10 additional Veterans Affairs Supportive Housing (VASH) Vouchers.

The ADOH received a rating of “High Performer” for the most recent (2013) SEMAP.

The ADOH provides and describes Housing Opportunities through voucher portability to all participants at their initial briefing and annually as part of the recertification process.

9.0 Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.  

Locating affordable housing units within HUD’s Payment Standard requirements has become more difficult in the past year in Yavapai County. Rents are reasonable, but are on the rise in Yavapai County. From our review of reasonableness studies, rental websites, and participants currently housed, there does appear to be a shortage of 1-bedroom units. With very little turnover and decreased funding, we are only able to utilize approximately 69 of our 89 “regular” vouchers.  

9.1 Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year.  

Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.  

With deceased funding, there is very little we can do to address housing needs in the next year. However, we will house families from our Waiting List in the coming year, as funding/turnover allows. There are no other rental assistance programs available through ADOH at this time.
**10.0 Additional Information.** Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan.

**Progress Report**

The ADOH applied for and received 10 additional Veterans Affairs Supportive Housing (VASH) Vouchers.

The ADOH received a rating of “High Performer” for the most recent (2013) SEMAP.

The ADOH provides and describes Housing Opportunities through voucher portability to all participants at their initial briefing and annually as part of the recertification process.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”

**Significant Amendment**

The ADOH would consider a change in service area and/or the addition of public housing to be administered by the ADOH significant amendments.

**Substantial Deviation**

The ADOH would consider a change in service area and/or the addition of public housing to be administered by the ADOH substantial deviations.
