

**Arizona Balance of State Continuum of Care  
Unsheltered Point In Time Survey Count  
January 2019  
Statement of Confidentiality**

The following statement must be signed by all volunteers associated with the collection of information from persons who are homeless during the 2019 winter unsheltered point in time survey count.

These guidelines apply to all data collected from January 23rd through January 27th 2019. As a reminder, individuals who are surveyed will be asked where did they sleep the night of January 22nd.

- All information gathered from survey participants will be held in a strictly confidential manner.
- All completed surveys will be kept out of public view.
- No discussion about an individual participant's circumstance shall be discussed with another volunteer or staff person.
