RE: 2013 Qualified Allocation Plan

In response to the recent passage of H.R. 8, American Taxpayer Relief Act of 2012, ADOH is proposing an adjustment to the Qualified Allocation Plan for Governor Brewer's review and approval. The proposal is to extend the application deadline by two months from March 1, 2013 to May 1, 2013.

As the Internal Revenue Service has interpreted that H.R. 8 does not extend the 9% Credit Rate to 2014 LIHTCs that are forward allocated, the revised version also clarifies that the 2013 Set-Asides will be for:

- Two (2) Permanent Supportive Housing Projects as defined in the QAP;
- One (1) Project located in a Rural Area as defined in the QAP;
- One (1) Project located on Tribal lands as defined in the QAP;

unless Congress extends the 9% Credit Rate to 2014 LIHTCs.

The 2013 Non-Profit Set-Aside was satisfied through the forward allocation of 2013 LIHTCs in 2012, and would not apply in 2013 if the 9% credit rate is not extended to 2014 LIHTCs.

The Arizona Department of Housing will post Information Bulletin(s) on its website as updates become available on this issue.

RE: Revised Environmental Review Record Handbook and Forms

ADOH has revised the Environmental Review Record (ERR) Handbook and all of the forms needed to conduct an ERR. This handbook applies to all types of grantees using CDBG and HOME funding in all or a portion of their projects. All ADOH funded projects that have not begun the environmental review process must use this new format. In an effort to provide additional guidance ADOH has included examples for some of the forms.

The new handbook and forms can be downloaded from the ADOH website on the Handbooks page and at this [link](#).

RE: FY2013 CDBG Regional Application Deadlines

The Arizona Department of Housing (ADOH) has not yet been notified by the Department of Housing and Urban Development (HUD) of the amount of FY2013 CDBG funding available for the State of Arizona. As it appears the federal government is not yet close to approving the FY2013 federal budget, the regional application round due dates for the Community Development Block Grant Program will be extended as follows:

NACOG and SEAGO – July 1, 2013

CAAG and WACOG – August 1, 2013

ADOH recommends that all regional applications should anticipate a 5.2% reduction of funding from FY2012 funding levels. Your Council of Government representatives may be able to assist you with determining your approximate funding.

The Notice of Funding Availability (NOFA) for CDBG State Special Project (SSP) applications will be released shortly after ADOH has receiving HUD notification of its FY2013 CDBG allocation.

The Colonias Set Aside NOFA will soon be released with a tentative anticipated amount of funding available as the Colonias round must have at a minimum its FY2012 portion of the funding awarded by October 2013.

Your patience, understanding and flexibility in this matter are greatly appreciated.

NOTICE OF FUNDING AVAILABILITY (NOFA OR NOTICE)

The FY 2012/2013 Colonias Set Aside funds will be distributed in one competitive funding round and the application submission deadline is September 16, 2013 at 4 p.m.

The Application Process for the Colonias funding allocation is described in Section 6 of the CDBG Application Handbook (revised April 2013) with any changes or additional requirements outlined in this Notice. COLONIAS SET ASIDE PROJECTS INFORMATION

Eligible Applicants

Consistent with federal law, eligible applicants for the State CDBG Colonias Set Aside are all incorporated cities and towns, unincorporated areas within counties and communities on Tribal lands outside of Maricopa County that are located within 150 miles from the U.S./Mexico Border and have documented the following:

- Defined geographical boundaries;
- Existence as a colonia prior to November 28, 1990;
- Lack of potable water or sanitary sewer prior to November 28, 1990; and
- Lack of decent, safe and sanitary housing prior to November 28, 1990.

Attached to this NOFA is the list of Colonias designated by ADOH as of April 1, 2013. Additional designated Colonias may be added to this list periodically. Applicants unsure of their Colonias designation are encouraged to contact ADOH staff prior to application submission to determine their

eligibility. ADOH will accept colonia certification/designation documentation until July 16, 2013 to establish eligibility to participate in this NOFA application round.

Eligible Activities and Application Requirements

Applicants should consult the CDBG Application Handbook (Revised April 2013) which can be accessed and/or downloaded from the Forms and Handbooks page of the Department's website at:

<http://www.azhousing.gov/ShowPage.aspx?ID=387&CID=16>

Threshold Issues and Application Requirements

To qualify for funding under this notice, applicants *must* submit all project application forms and all elements required for Colonias set aside funding in Section 6 of the CDBG Application Handbook (Revised April 2013).

Selection of Project Awards

Projects will be selected for Colonias Set Aside funding by a competitive process through which applications are scored. Applications that have met all applicable threshold requirements will be competitively scored with the highest scoring applications receiving awards until available funds are exhausted.

The goals of the rating system are as follows:

- Ensure fairness in competition for the grants;
- Increase the objectivity of the reviews.

The application rating system places additional emphasis on: targeting the most impoverished areas and low-moderate income communities; determining the need for the activity; past performance of the applicant and/or administrating agency; and cost effectiveness of the project.

The Colonias Set Aside Rating Tool form along with a Completeness Review form can be obtained from the ADOH website at: <http://www.azhousing.gov/ShowPage.aspx?ID=449&CID=16>.

Please review this NOFA, CDBG Application Handbook (Revised April 2013), Colonias Rating Tool, and the Completeness Form to ensure that your application has supplied all relevant information under each criterion and may obtain the maximum points available to your type of project.

RE: Federal Fiscal Year 2013 Formula Allocations for CDBG, HOME, HOPWA and ESG in compliance with Program Year Annual Action Plan FY2013-2014

The Arizona Department of Housing used approximate funding amounts in its draft 2013-2014 Annual Action Plan because HUD had not yet provided the final allocation amounts for Federal Fiscal Year 2013. Final amounts were provided by HUD as of today and are listed below. The method of distribution for these funding sources remains unchanged from the 2013-2014 Annual Action Plan.

CDBG

The total FFY2013 CDBG allocation is \$9,560,059. The State retains 2% plus \$100,000 or \$291,201 for administration and 1% or \$95,601 for technical assistance activities. Additionally HUD mandates that the state expend 10% of its total allocation or \$956,006 for projects located in areas designated as Colonias. The remaining adjusted allocation is divided into 85% or \$6,984,663 for Regional and 15% or \$1,232,558 for State Special Projects (SSP).

The COG Regional allocation is as follows:

CDBG Allocation by COG Region	2013 Allocation Amount	2013 Allocation Share
NACOG	\$ 1,610,324	23.0551420%
WACOG	\$ 2,096,436	30.0148470%
CAAG	\$ 1,904,126	27.2615360%
SEAGO	\$ 1,373,777	19.6684750%
Total Allocation to Rural COGs	\$ 6,984,663	100%

Both the Colonias and SSP set-asides are accessed through competitive applications. The Colonias Set-Aside application round was previously announced through a Notice of

Funding Availability (NOFA) on April 19, 2013. The CDBG SSP competitive application round will be announced thru a future NOFA.

HOME

The total FFY2013 HOME allocation is \$4,357,825 of which 15% or \$653,674 must be set aside for Community Housing Development Organization (CHDO) project funding. The HOME method of distribution for all funds will be available statewide through a competitive application process. NOFAs are distributed throughout the year and include information describing the specific activities to be funded and amount of funding available for those activities.

HOPWA

The total FFY2013 HOPWA allocation is \$221,444. A total of 10% or \$22,144 of the grant award will be used for administration of which the state retains 3% (\$6,643) and the remaining 7% (\$15,501) will be used by project sponsors. The remaining 90% or \$199,300 of the grant award will be spent on direct service provision through housing providers in the 13 non-entitlement counties.

ESG

The total FFY2013 ESG allocation is \$1,203,097 which is administered by the Arizona Department of Economic Security (DES). A total of 7.5% or \$90,232 is retained by DES for administration. The remaining 92.5% or \$1,112,865 will be used for ESG eligible activities to benefit persons experiencing homelessness.

Apr. 2013):

<http://www.azhousing.gov/ShowPage.aspx?ID=387&CID=16>

Selection of Project Awards

Projects will be selected for SSP funding by a competitive process through which applications are scored. Applications that are complete and have met all applicable threshold requirements will be competitively scored with the highest scoring applications receiving awards until available funds are exhausted. Scored applications will be kept on file for one year and the next highest scoring application will be funded only if funding becomes available through recapture or de-obligated CDBG funds sufficient to award the additional project.

The goals of the rating system are as follows:

- Ensure fairness in competition for the grants;
- Increase the objectivity of the reviews; and
- Provide grantees with more information on how to write a competitive application.

The application rating system places additional emphasis on: targeting the most low-moderate income people and communities; determining the need for the activity; past performance of the applicant and/or administrating agency; and cost effectiveness of the project.

There is a minimum score requirement of 70 points. Any applications not scoring the minimum 70 points will not be considered for funding. Please review Part II, III & IV of the ADOH CDBG SSP Rating Tool FY2013 carefully.

The SSP Rating Tool and a Completeness Review Form can be obtained from the ADOH website at: <http://www.azhousing.gov/ShowPage.aspx?ID=449&CID=16>

ADOH anticipates notifying all applicants within 90 days of application deadline as to whether they will be funded. Applicants approved for funding should be prepared to initiate projects within 30 days of notification.

Upon request, both funded and unfunded applicants will have the opportunity to review their application's scoring with ADOH staff in order to increase their competitiveness in subsequent application and funding processes.

**RE: Environmental Review Record and Authority to Use Grant Funds for CDBG
Regional Account Awards**

CDBG Regional Contract Awards

In response to recent federal changes to timely expenditure and progress reporting in HUD's Integrated Disbursement & Information System (IDIS) the Arizona Department of Housing (ADOH) will be revising the process for Funding Agreement execution on CDBG Regional Account Awards.

ADOH will only distribute CDBG Regional Account Funding Agreements for execution by Units of General Local Government (UGLG) after Environmental Review clearance has occurred and an E-13 Authority to Use Grant Funds has been released. Applicants will have 120 days following receipt of the Funding Award Reservation and Contingency Letter (Award Letter) to complete an Environmental Review after which the Award Letter will be rescinded and the application will receive no further consideration. Exceptions to the 120 day deadline may be granted for circumstances out of the UGLG's control.

ADOH advises all UGLGs that have 2013 Regional Account applications pending to begin their ERRs promptly.

Funding Agreements for those CDBG Regional Account projects that are determined to be exempt from Environmental Review will be distributed to those UGLGs upon clearance of all pre-contract concern and action items as outlined in Contingency form attached to the CDBG Regional Account Award Reservation Letter.

RE: HOME Maximum After-Rehab Value Limits for Owner Occupied Housing Rehabilitation

Effective August 23, 2013 HUD has established the HOME Maximum After-Rehab Value Limits for owner occupied housing rehabilitation. These limits will remain in effect until HUD issues new limits.

Statutory Changes to the HOME Program require the 203(b) limits to be set at 125 percent of area median purchase price therefore Participating Jurisdictions can no longer use the 203(b) limit as the HOME program value limit.

The new HOME value limit for existing housing to be used for owner occupied housing rehabilitation is 95 percent of the median purchase price for the area based on Federal FHA single family mortgage program data and other nation-wide data on the sales of existing housing. For further information regarding HUD's policy change and methodology please visit:

<https://www.onecpd.info/resource/2312/home-maximum-purchase-price-after-rehab-value/>

The new HOME Maximum After-Rehab Value Limits for Arizona are established by HUD and listed in the table on the following page. These limits are effective immediately and apply to any HOME assisted owner occupied housing rehabilitation not already in process (bids awarded, under construction).

The Department has issued a revised Environmental Review Handbook dated October 30, 2013. The revision includes updates to some forms (corrections, fillable enabled), additional new forms and a new section has been added to Chapter 7, Housing Rehabilitation, which provides guidance on how to obtain environmental clearance for owner occupied housing reconstruction

Additionally, ADOH has received a concurrence from SHPO dated June 10, 2013 that Pre-1974 Mobile Homes that will undergo housing rehabilitation or replacement do not require SHPO consultation. A Copy of this concurrence (Form E-10a.3) can be found in Chapter 14 of the ERR Handbook.

The following Environmental Review forms have had minor changes:

- E-CO Certifying Officer Form (REV. 7/2013)
- E-4 Statutory Worksheet (REV. 9/2013)
- E-11 Environmental Assessment Checklist (REV. 10/2013)
- E-CK.4 Housing Rehabilitation Projects Checklist (REV. 10/2013)
- E-HR.1 Rehabilitation Environmental Review (REV. 10/2013)
- Desk Monitoring Form – Automatically Exempt Projects (REV. 10/2013)
- Desk Monitoring Form – Categorically Excluded Projects (REV. 10/2013)
- Desk Monitoring Form – Housing Rehabilitation Projects (REV. 10/2013)
- Desk Monitoring Form – Environmental Assessment Projects (REV. 10/2013)

The following are new forms added to the handbook to be used with owner occupied housing reconstruction projects:

- E-4a Statutory Worksheet Housing Reconstruction Projects (10/2013)
- E-CK.7 Housing Reconstruction (Non-Floodplain) Checklist (10/2013)
- E-CK.8 Housing Reconstruction (Floodplain) Checklist (10/2013)
- Desk Monitoring Form – Housing Rehabilitation and Reconstruction Combined (10/2013)
- Desk Monitoring Form – Housing Reconstruction Only Projects (10/2013)

ADOH highly recommends that applicants and grantees always use the department's website to be sure they are using the most current versions the Handbook and Environmental Review Forms. The following link accesses the handbook and forms page of the department's website:

Desk Monitoring Forms are used by ADOH staff and will not be posted to the website but are included in the ERR Handbook as a guide. If you would like an actual copy of the form to use as a reference, please contact your ADOH Program Specialist.

In order to comply with state and federal reporting requirements for the LIHTC, HOME, Housing Trust Fund (HTF), Tax Credit Assistance Program, Tax Credit Exchange Program, and Neighborhood Stabilization Program Funds invested in certain properties, a Tenant Income Certification (TIC) form is required upon move-in, interim recertification and annual recertification.

RE: On-Line Reporting for LIHTC Properties

The Arizona Department of Housing will be implementing on-line reporting for YE 2013 annual reports. All annual reports due March 15, 2014 for YE2013 will be submitted on-line.

Most affordable housing software systems can be uploaded into the ADOH system. You will need to check with your software provider to ensure your system complies with National Affordable Housing Management Association (NAHMA) standards. If it does not, all tenant information will need to be entered manually by the March 15, 2014 deadline.

Each property must be registered separately and have a valid and unique e-mail address, unless annual reporting is completed by the management agent or the compliance department. Those management companies reporting for multiple properties should contact Lisa Troy, Compliance Administrator, lisa.troy@azhousing.gov, **PRIOR TO REGISTRATION**.

Please follow the directions below to start the registration process.

1. Log into <https://wc.azhousing.gov>
2. Click on "Register."
3. Complete all the required information in the Profile section, including selection of a Username and Password.
4. Use the property's name under Organization Name. Under Properties, leave the property number blank.
5. Once the registration is submitted, ADOH will grant access to the property. You will receive an e-mail when the process is complete.

Registration is now open and available to all properties. Registration must be completed no later than January 1, 2014. Mandatory web training will be scheduled prior to January 1, 2014. Once these are scheduled, you will be notified.

The Arizona Department of Housing 2013 Information Bulletin

REGARDING PROGRAMS: Rental Development

REGARDING FUNDING SOURCES: Low Income Housing Tax Credit Program

INFORMATION BULLETIN No. 32-13

ISSUED: December 24, 2013

RE: 2014 Qualified Allocation Plan & Forms

The Arizona Department of Housing has posted the following documents at the following link on its website:
<http://www.azhousing.gov/ShowPage.aspx?ID=451&CID=16>

- 2014 Qualified Allocation Plan approved by Governor Brewer
- 2014 Design Standards
- 2014 Market Study Guide
- 2014 Forms and Exhibits

These documents may be made available in alternative form upon request by contact ADOH at the telephone number below. Changes were made to the QAP after consideration of comments made at the Public Hearing and receipt of additional comments to the QAP. Some of the more substantive changes include:

- Tab 14 has been revised to require the Energy Consumption Model for utility allowances.
- Tab 17 now includes an option to use a Certified RESNET Home Energy Rater to perform the required energy inspections in lieu of the Governor's Office of Energy Policy (GOEP). The GOEP will still need to review and approve the reports.
- Tab 24 no longer requires that Local Government loans, HOME contributions or CDBG contributions include a forgiveness provision.

ADOH will also be providing "Clarifications to the 2014 QAP" in a Q&A log format at the same link. This document will be updated continually, and is provided as a service to ensure that updated information, clarifications and interpretations are available to the development community and general public. Applicants are responsible for checking the site for updates to this document, which are incorporated in the QAP by reference at Section 1.1(C) on page 16 of the QAP.

A reminder that one of the application eligibility requirements that must be met is attendance at the 2014 LIHTC Application Workshop being held on January 9 at the Phoenix Airport Marriott. Deadline for registration is January 3, 2014 and can be made through the Department website at this [link](#).
