

Arizona Department of Housing

Eviction Prevention/Emergency Homeless Housing (EPEH) Program Effective July 1, 2008 through June 30, 2010

The Eviction Prevention/Emergency (Homeless) Housing Assistance program (EPEH) is designed and intended to provide funding to local agencies to assist in responding to housing assistance needs relating to the prevention of homelessness of individuals and families homeless or at an immediate risk of being homeless who are at or below 80% of the area median income. The intention is to allow qualified local agencies to propose a menu of eligible services that the EPEH funds can be used for and also allow them to propose beneficiary standards and operating procedures for the use of the funds, based on local needs and experience.

Services offered may vary slightly from agency to agency, the most common services include;

- Eviction prevention (rental)
- Mortgage foreclosure (ownership)
- Rental security and Utility deposits
