DATE: July 3, 2018

**RE: Hardest Hit Fund Quarterly Performance Data
for the period ending March 31, 2018**

Arizona is pleased to provide its Quarterly Performance Data Report for the period ending March 31, 2018. The attached report provides the data sets required by the U.S. Department of the Treasury (“Treasury”). To provide further context for the figures reported in the Treasury report, we are also providing this introductory summary as a supplement to enhance the reviewer’s understanding of Arizona’s Hardest Hit Fund program, **Save Our Home AZ**.

The Save Our Home AZ Program is administered by the Arizona Department of Housing on behalf of the Arizona Home Foreclosure Prevention Funding Corporation (AHFPFC). Funds for the Program come from the U.S. Department of the Treasury, Housing Finance Agency Innovation Fund for the Hardest-Hit Housing Markets. The Program has assisted eligible Arizona homeowners in the form of Principal Reduction Assistance, Unemployment/Under-employment Mortgage Assistance, Reinstatement of delinquent payments, Second Lien Elimination, Short Sale Assistance, and Down Payment Assistance for homebuyers.

As the foreclosure crises in Arizona continues to abate, the foreclosure-related programs have all seen declines in both the number of households seeking assistance and the assistance amounts recommended for those who do seek assistance. Many homeowners who received Under/Unemployment Mortgage Assistance have successfully exited the program due to an improved job market. This is a good

Arizona's Hardest Hit Fund Quarterly Performance Summary

development for Arizona, as our 90+ day delinquency rate continues to decline since the program began, and remains the lowest of all Hardest Hit States.

The down payment assistance component, Pathway to Purchase (P2P), exceeded expectations. Approved for 17 cities within the state, homebuyer assistance of 10 percent of a home's purchase price (up to a maximum of \$20,000) was provided to qualified homebuyers. By providing such assistance, the Program incentivized purchases within areas of the state that were still experiencing economic setbacks

brought on by the foreclosure and economic crises. In order to effect a recovery for these areas comparable to the rest of the state, P2P sought to stimulate the real estate market within these lagging communities. Communities where homebuyers have received such assistance includes Arizona City, Avondale, Buckeye, Casa Grande, Coolidge, Douglas, El Mirage, Fort Mohave, Goodyear, Huachuca City, Laveen, Maricopa, Red Rock, Sierra Vista, Snowflake, Tucson, and Yuma. While reservations for assistance are currently closed, the Program does expect to provide another round of homebuyer assistance at a future date.

Household Assistance Levels Increase

As of March 31, 2018, a total of 9,485 households have received assistance through Arizona's Hardest Hit Fund grant.

Assistance Commitments by Component

Assistance has been provided through several components: Principal Reduction Assistance, Second Mortgage Settlement Assistance, Un/Underemployment/Reinstatement Mortgage Assistance, Short Sale Assistance, and Down Payment Assistance. The chart below shows the breakdown of assistance in these various components.

Down Payment Assistance	\$71,367,728	\$70,673,704.54
Program Budget	\$ 256,268,780	\$ 232,758,792.62
Administration/Counseling/Partners Support	\$39,779,745	\$26,891,759.84 ⁴
Total Budget	\$ 296,048,525	\$ 259,650,563.46

Notes

As of December 30, 2017:

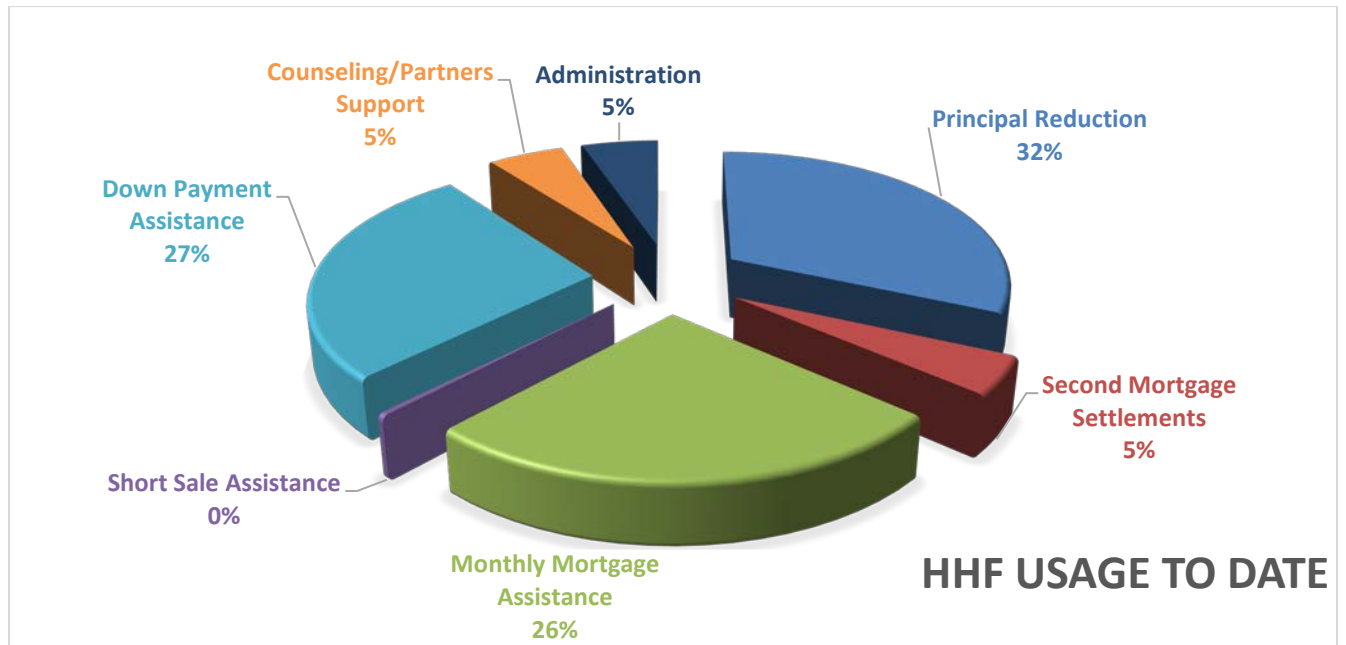

¹Of the \$81.6 million committed for Principal Reduction Assistance, \$0 remained in escrow to disburse at scheduled closings.

²Of the \$11.7 million committed for Second Mortgage Settlements, \$0 remained in escrow to disburse at scheduled closings.

³Of the \$66 million committed for Un/Underemployment/Reinstatement Mortgage Assistance, \$7.9 million remained in escrow to be disbursed for future monthly payments for participating homeowners. As the economy continues to improve, a significant number of UMA participants have exited out of this component early, thereby releasing unused amounts of reserved assistance that will be recycled to assist additional households.

Arizona's Hardest Hit Fund Quarterly Performance Summary

⁴Of the \$26.3 million spent on administrative expenses, \$13.1 million was spent on counselor services, outreach, and other partner support.

This document describes the Housing Finance Agency (HFA) Hardest-Hit Fund (HHF) data that state HFAs are required to provide to the U.S. Department of the Treasury. It includes quarterly borrower characteristic data and program specific performance data. All HFA HHF data submitted to the U.S. Department of the Treasury must be accurate, complete, and in agreement with retained HFA records. Data should be reported by each state HFA by the 45th day following the quarter.

Data requested in the "Borrower Characteristic" worksheet should be reported in aggregate for all HHF programs run by the state HFA. Program specific data is separated into reporting tabs for each individual program. State HFAs should report program performance data on an individual program basis. A data dictionary has been provided to assist in the definition of each data point.

Section 1: Since applications marked as denied or withdrawn in previous quarters may be reconsidered due to a change in borrower circumstances, some unique borrower counts may not sum in a quarter-over-quarter fashion.			
Line 8: Cum has been adjusted due to a reconciliation of accounts through a return of funds for a decrease of Down Payment Assistance (\$323,279). QTD has not been adjusted and due to this reduction this number does not match to the QFR.
