

HOME Plus – ALL Participating Mortgage Lenders

revised 9.4.2018

We DO NOT require a direct application from the homebuyer. Selecting your lender is the first step in the process, your lender will be your point of contact throughout the process and will work with you to obtain a program qualifying mortgage and register you for the down payment assistance. If you want to determine if you qualify for the mortgage AND **HOME Plus** assistance you'll need to meet with an approved, participating lender

When reaching out to the program approved lenders you might want to:

1. Ask to speak with a Loan Officer (LO) that is knowledgeable of Down Payment Assistance (DPA) programs (especially **Home Plus**)
2. Advise the LO of the purpose of your call and you are seeking to use a down payment assistance program.
3. Then have them tell you about the DPA programs they are familiar with. Ask them to explain some similarities and or differences between the DPA program they work with, a knowledgeable and experienced LO should be able to do this.
4. Decide who to work with based on the information you receive and connectivity you have with the Loan Officer.

Participating mortgage lenders may choose to offer all or parts of the **HOME Plus** DPA Program. Each underlying mortgage type; Fannie Mae, Freddie Mac, FHA, VA and USDA can have slightly different credit qualification guidelines and the lender you choose to work with can provide more clarity on your specific situation.
