RE: VOLUNTEERS NEEDED

2018 HOMELESS POINT IN TIME (PIT) COUNT

### ANNUAL POINT IN TIME COUNT

It's planning time for the upcoming Annual AZ Balance of State Point In Time (PIT) Count. Please count yourself in and volunteer today. The count will be taking place from **Tuesday evening, January 23, 2018** until **Sunday, January 28, 2018** to try and engage as many individuals as we can with the question "Where did you sleep Tuesday night?" Training is provided and everyone works on a team. Trainings have already started in some counties.

The PIT Street Count, required by HUD, helps us understand and plan to meet the needs of our fellow citizens experiencing homelessness. The results also help Congress decide how much money to make available to our Continuum to serve our most vulnerable citizens. To have the best and most accurate count possible the Balance of State Continuum of Care needs more than 250 volunteers and at least two dozen people with experience in previous counts, outreach, and direct service to work on teams with other volunteers to make sure we cover all of our thirteen Balance of State Continuum counties.

If you've volunteered before then you know how important this work is and we ask you to generously donate your time once more and bring along a friend this year.

The following are the people who will be leading the efforts in each county and their contact information. Please reach out to your local lead.
