RE: HCCP Exam - Training Opportunity

Thank you for all you do to serve Arizonians with affordable housing through LIHTC!

Costello Compliance is offering a 12-week course, *Achieving LIHTC Success Comprehensive Course*. This may be taken alone or with the online Housing Credit Certified Professional (HCCP) Exam. It is primarily online on-demand but with three live webinar sessions to facilitate live answers to your questions. This training will cover advanced LIHTC issues and important LIHTC concepts and simplify the information.

The Arizona Housing Department (ADOH) encourages this new 12-week course, which is a great learning experience. With ever-changing guidance, please consider attending this exciting training opportunity!

An outstanding low price has been arranged for this run, nearly a 30% discount from the normal HCCP course cost. ADOH Staff regularly attends the Costello courses and we find these to be very helpful. We will also be attending this course. The examples provided and the quizzes after each session will help make sense of the toughest LIHTC issues. The worksheets provided with each session will be helpful resource tools to use after each session and successfully take the HCCP Exam. We suggest that if you have any staff members who would benefit from training and/or a refresher on the higher-level LIHTC issues, sign up for this course! Training is presented in easy-to-digest sessions. Please hurry, as the course's first lesson will be released on 09/24/2024, but Costello has agreed to keep registration open for an additional week. It is mostly on-demand video-based training, so there will be time to catch up before the first live Q&A session.
