NOFA clarifications are to be considered a part of this NOFA. Applicants are responsible for checking the clarifications and submitting an Application that is in conformance with the clarifications. Requests for clarification must be made in writing via email or letter via US Mail and will be responded to in the written clarifications to the NOFA on ADOH’s website.

Such an act may also result in barring the Applicant and Development Team members from future awards of ADOH funding and low-income housing Tax Credits. In addition, false filing may be subject to the provisions of A.R.S. § 13-2311 (designating as a class 5 felony the conduct of business with any department or agency of this state by knowingly using any false writing or document).

1. Loan Payment Terms:

All loans awarded under this NOFA shall be secured through a Deed of Trust and accrue simple interest annually at the long-term applicable federal rate as of the date the loan closes. The term of the loan will be based upon the longest period of affordability associated with the source of the funds awarded (15-30 years). 2. Maximum State Investment:

Applicants may apply for up to \$2,000,000 in ADOH financing. ADOH may engage a third party or cost estimator to verify cost reasonableness and only allocate funding for up to the verifiable gap which is not to exceed the State Maximum Investment Per Unit.

- b. Rental Assistance Reserve. In lieu of the 5-year Operating Deficit Reserve described above, ADOH will underwrite a Rental Assistance Reserve funded through the Project's equity to cover the difference between the tenant's monthly rent payment and an NHTF-assisted Unit's share of monthly operating costs.

5. USDA and HUD-insured loans:

In ADOH's sole discretion, Applicants with USDA or HUD-insured loans may not be eligible for ADOH Gap Financing from federal sources unless guarantees or equivalent security are provided to ensure full collateralization of the ADOH Gap Financing for the entire Period of Affordability.

B. Development Budget - Form 3.

Applicants shall disclose all uses of development funds. Costs are limited to those that are necessary to build the Project. All sources, including reserves and contingency items, must be funded from cash sources that are dedicated to the Project. Letters of credit and cash from operations are not acceptable financing sources to cover financing gaps in the Development Budget.

C. Eligible Uses of SHF

SHF may be used only for reasonable and customary construction costs (or acquisition and rehabilitation costs of properties to be improved).

V. Compliance Requirements for NHTF and HOME

The following compliance requirements are only applicable for projects funded with NHTF and HOME. Projects funded with SHTF will not be subject to the below federal requirements.

6.1 Liability

The Owner is responsible for compliance with all applicable laws, regulations, codes, etc. ADOH shall not be liable to third parties for claims arising from an Owner's failure to comply

with these. Applicable terms between Owner and ADOH will be further memorialized in the executed ADOH Funding Agreement.

6.2 Capitalized Terms

- A. 5-year Operating Deficit Reserve. In addition to the Maximum State Investment per Unit, ADOH may authorize up to five (5) years of operating reserves pursuant to §93.201 for NHTF State Assisted Units to cover the difference between the tenant's monthly rent payment and the NHTF-assisted Unit's share of monthly operating costs.
- B. Rental Assistance Reserve. In lieu of the 5-year Operating Deficit Reserve described above, ADOH will underwrite a Rental Assistance Reserve funded through the Project's equity to cover the difference between the tenant's monthly rent payment and an NHTF-assisted Unit's share of monthly operating costs.

6.3 Labor Standards

The applicable Labor Standards will be determined based on the size and scope of the project.

6.4 Environmental Review

Projects funding with NHTF and HOME are subject to 24 CFR Part 58. Owners will be required to submit the following ERR documentation:

- A. An ASTM E 1527-13 Phase I Assessment (with asbestos and lead based paint reports if a rehabilitation) and an applicable HUD Format Environmental Review in accordance with 24 CFR § 50 or 24 CFR § 58 is required.

The Phase I Assessment (and applicable asbestos and lead based paint reports) may not be dated more than one (1) year prior to the Application is submitted to ADOH for consideration. The lead based paint report may not be dated more than twenty-four (24) months prior to the date of the ADOH funding Award Letter. If the Phase I identifies issues and/or the need for remediation, further testing or a Phase II, Applicant must submit the remediation plan, Phase II and/or studies identified in the Phase I with the Post Award Submittals stipulated in Section 3.1 of this NOFA. Applicant's Form 3 - Development Budget, must also include the costs associated with the need for further testing Phase II or additional studies (hard copy also required)

- B.** Provide the Environmental Record Review applicable to the funding source identified in the ADOH Award Letter on ADOH's forms. A HUD 24 CFR § 50 Assessment must be complete and ready for ADOH's acceptance for its files. A HUD 24 CFR § 58 Assessment must be ready to publish a FONSI/RROF (finding of no significant impact/request for release of funds). HUD Format Environmental Reviews assess the effects of activities carried out with Federal funds including project based Rental Assistance. *The acquisition of property or any physical action taken on a proposed site prior to the completion of HUD Format Environmental Review precludes the ability to use federal funds such as HOME, CDBG, or project based Rental Assistance.* HUD Format Environmental Reviews generally require between thirty (30) and 120 calendar days to complete, depending upon the type of activity and its location, so Applicants are encouraged to begin the HUD Format Environmental Review immediately upon receipt of an award so that the Applicant can meet the deadline identified in this NOFA. The ADOH environmental review forms and Environmental Review Record Handbook are available for download from the following URL on the ADOH website: <https://housing.az.gov/documents-links/handbooks>
- C.** Purchase Agreement requirements for projects with federal funds:
1. As of the effective date for the Project in 24 CFR § 58.22, conditional purchase contracts may only be used for the acquisition of existing multifamily residential properties. Land must be acquired through a purchase option.
 2. A purchase option (for land or an existing multifamily residential property) must include language that it is subject to a determination by the recipient on the desirability of the property for the Project as a result of the completion of the environmental review in accordance with 24 CFR § 58 and the cost of the option is limited to a nominal portion of the purchase price.
 3. A conditional purchase contract for an existing (vacant) multifamily residential property must include language similar to the following:

“Notwithstanding any other provision of this Contract, Purchaser shall have no obligation to purchase the Property, and no transfer of title to the Purchaser may occur, unless and until ADOH (and/or other Responsible Entity, as applicable) has provided Purchase and/or Seller with a written notification that: 1) it has completed a federally required environmental review and its request for release of federal funds has been approved and, subject to any other Contingencies of this Contract, (a) the purchase may

proceed, or (b) the purchase may proceed only if certain conditions to address issues in the environmental review shall be satisfied before or after the purchase of the property; or 2) it has determined that the purchase is exempt from federal environmental review and a request for release of funds is not required. ADOH (and/or other Responsible Entity, as applicable) shall use its best efforts to conclude the environmental review of the property expeditiously."

6.5 Tenant Selection Criteria

Tenant Selection Policies and Criteria, in compliance with all provisions of 24 CFR 93.350 and 24 CFR 93.303 or 24 CFR 92.253(d), as applicable, and 24 CFR 92.359 (VAWA).

1. Attach document formally adopting the Tenant Selection Policies and Criteria from the governing body of the proposed Owner Entity in the form of a resolution.
