

HOME COMING 2024

ARIZONA HOUSING FORUM

August 21-23, 2024

We-Ko-Pa Casino Resort

The Arizona Department of Housing invites you to partner with us for Arizona's premier affordable housing conference, the Arizona Housing Forum. It is time to return home and reconnect with colleagues from across the state. This year's theme is Homecoming and will feature keynote speaker, Chad Porter.

The Arizona Housing Forum provides an exceptional platform for affordable housing and community development professionals to learn, network and connect in sharing ideas that create and improve housing and community development choices in Arizona.

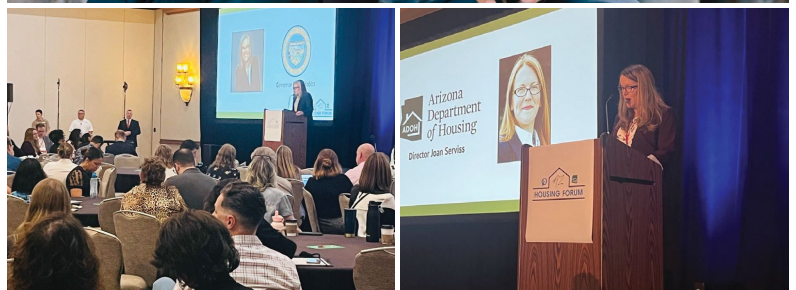

Sponsorship participation is critical to making this important event possible. We hope you will consider to exclusively sponsor one of the special events of the Forum such as the Evening Reception or Afternoon Networking break, or any of our sponsorship opportunities. Your participation will allow your organization to showcase your business while you network and connect with industry professionals throughout the entire program.

Again, we thank you for supporting the important work carried out by the Arizona Department of Housing through these excellent networking and marketing opportunities.
